

## **Supplemental Notice of Distribution of Settlement Proceeds**

October 15, 2019

The Tribune Litigation Trustee distributed settlement proceeds from the recent D&O and other settlements to the Trust beneficiaries, in accordance with the distribution schedule of the Litigation Trust Agreement. \$111,130,837.00 was paid to holders of Class 1E Trust interests on September 17, 2019. As of October 7, 2019, distributions totaling \$23,756,532.90 were made to certain holders of Class 1C, 1D and 1F Trust interests. If you submitted your tax and payee information to the Trustee by the September 20, 2019 deadline and you have not received your distribution by October 18, 2019, please contact the Trustee's claims administrator, Prime Clerk, at (844) 217-1395 or [TribuneTrustTIN@primeclerk.com](mailto:TribuneTrustTIN@primeclerk.com) about the status of your distribution.

Undistributed amounts of Class 1C, 1D and 1F interests have been set aside in a reserve. Distributions of these amounts will be made monthly to late claimants, beginning October 31, 2019 through February 4, 2020. As explained in the [notice](#) posted on September 16, 2019, you must submit the necessary tax and payee information in order to receive a distribution. After February 4, 2020, these unclaimed amounts will be deemed abandoned and then reallocated among the existing claimants.

The Litigation Trustee has extended the deadline for disputing denied claims and the size of distributed amounts until December 13, 2019. Please refer to the notice posted on September 16 for information respecting the calculation of the distribution amounts. As a reminder, you must submit a detailed explanation of your dispute in writing with supporting documentation to Prime Clerk prior to December 13, 2019. Absent evidence of error deemed to be conclusive in the Litigation Trustee's sole judgment, the Trust Register shall control all Litigation Trust distributions.
