**TO:** Participants in the Revelation Energy, LLC Welfare Benefit Plan

**RE:** Termination of Medical Insurance

**DATE:** August 24, 2019

This notice is to inform you that, subject to Bankruptcy Court approval, the medical insurance coverage under the Revelation Energy, LLC Welfare Benefit Plan (the “Plan”) will be terminated on August 31, 2019. As such, you will, upon Bankruptcy Court approval, no longer have medical insurance under the Plan after August 31, 2019. You are being sent this notice because you are either an employee or former employee of Revelation Energy, LLC or Blackjewel, L.L.C. that will, subject to Bankruptcy Court approval, no longer have medical insurance under the Plan after August 31, 2019.

Since medical insurance is being terminated, coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”) is not available under the Plan. Possible alternatives for medical coverage, include, but are not limited to, coverage through a spouse’s employer (most employers’ plans allow for mid-year changes in benefits elections following a spouse’s loss or change of employment) or through the Health Insurance Marketplace at [www.HealthCare.gov](http://www.HealthCare.gov) or via phone at 1-800-318-2596.

It is important to note that you may be required to apply for other coverage within a certain timeframe, which can vary based on the coverage option. For example, you always have 60 days from the time you lose your job-based coverage to enroll in the Health Insurance Marketplace. That is because losing your job-based health coverage is a “special enrollment” event. After 60 days, your special enrollment period will end, and you may not be able to enroll, so you should take action right away. To find out more about enrolling in the Health Insurance Marketplace, such as when the next open enrollment period will be and what you need to know about qualifying events and special enrollment periods, visit [www.HealthCare.gov](http://www.HealthCare.gov) or call 1-800-318-2596. **You are encouraged to apply for coverage as soon as possible (even before August 31) so that you are prepared for any medical bills incurred after August 31.**
