Dear Judge Bernstein:

I am a 68-year-old retired Navy veteran with 30 years in the submarine service and I am a trustee owner (Gradisnik Family Trust) of 4,000 shares of Breitburn Energy Partners (BBEPQ) stock.

As a shareholder trustee, I am writing to request that the Court require all equity shareholders be represented in the Chapter 11 proceedings, at a minimum, by an official Equity Committee.

Thank you for considering my request.

Very Respectfully, Gary A. Gradisnik, Captain, U.S. Navy (retired)
