Sur-replies shall be not permitted or considered unless authorized by the Court.

31. **Settlements.** In the event that a matter is properly noticed for hearing and the parties reach a settlement of the dispute prior to the scheduled hearing, the parties shall notify the Court promptly. The parties may announce the settlement at the scheduled hearing. In the event that the Court determines that the notice of the dispute and the hearing is adequate notice of the effects of the settlement (i.e., that the terms of the settlement are not materially different from what parties in interest could have expected if the dispute were fully litigated), the Court may approve the settlement at the hearing without further notice of the terms of the settlement.

32. **Supplemental Notice.** In the event that the Court determines that additional or supplemental notice is required, the Debtors shall serve such notice in accordance with the Case Management Procedures, and a hearing to consider such settlement shall be held on the next hearing date deemed appropriate by the Court.

**E. Granting a Request for Relief Without a Hearing.**

33. **Certificate of No Objection.** If no Objection to a Request for Relief is filed after the Request for Relief is filed and served in a timely fashion, the movant may submit a proposed order granting the Request for Relief to the Court along with a certificate of no objection (a "Certificate of No Objection") stating that no Objection has been filed or served on the movant. By filing such certification, counsel for the movant represents to the Court that the movant is

unaware of any Objection to the Request for Relief and that counsel has reviewed the Court's docket and no Objection appears thereon.

34. ***Order May Be Entered Without Hearing.*** Upon receipt of a Certificate of No Objection, the Court may enter an order granting the Request for Relief without further pleading, hearing, or request, and once an order granting such Request for Relief is entered, no further hearing on the Request for Relief shall be held.

35. ***Request for Relief May be Heard at a Hearing.*** After a Certificate of No Objection has been filed, the Request for Relief may be heard at the next Omnibus Hearing if the Court does not enter an order granting the Request for Relief before such Omnibus Hearing.

**F. Filing and Service of Orders.**

**G. Filing and Service of Adversary Proceedings.**

37. ***Serving Adversary Proceedings.*** All Court Filings in any adversary proceeding commenced in these chapter 11 cases shall be served upon each Affected Entity and any other parties required to be served under any applicable Bankruptcy Rule or Local Rule.

38. ***Discovery Rules in Contested Matters and Adversary Proceedings.*** Federal Rules of Civil Procedure 26(a)(1) (initial disclosures), 26(a)(2) (disclosures with respect to expert testimony), 26(a)(3) (additional pretrial disclosures), and 26(f) (mandatory meeting before scheduling conference/discovery plan) are inapplicable in contested matters but are applicable to adversary proceedings arising under these chapter 11 cases.

39. ***Briefing Schedule in Adversary Proceedings.*** After a hearing date has been set by the Court, unless otherwise ordered by the Court, the parties to the adversary proceeding shall confer and agree upon a briefing schedule for all adversary matters, which shall be submitted for approval of the Court.

**H. Other Pleadings.**

40. ***Joinders.*** Any party seeking to support any Court Filing may file an expression of support of such Court Filing (a “Joinder”). Unless otherwise ordered by the Court, filing a Joinder does not entitle such party to: (a) be an independent proponent of the Court Filing; (b) independently support or oppose any related Court Filings; (c) independently settle the underlying Request for Relief that is the subject of the applicable Court Filing; or (d) independently receive a ruling from the Court on the Court Filing. The Court may deem a Joinder to be a brief in support of the applicable Court Filing, but the Court shall not consider any arguments or factual allegations contained in a Joinder but not in the related Court Filing, and no party shall be required to separately respond to a Joinder.

41. ***Motion Practice for Lift Stay Actions.*** In accordance with Local Rule 4004-1, a motion filed by a non-debtor party seeking relief from the automatic stay (a “Stay Relief Motion”) in accordance with section 362 of the Bankruptcy Code shall be noticed for consideration on the Omnibus Hearing date that is at least 21 days after the Stay Relief Motion is filed and notice thereof is served upon the Debtors. Unless otherwise ordered by the Court, the objection deadline shall be 7 calendar days prior to the hearing scheduled with respect thereto.

42. ***Continuation of Automatic Stay.*** Notwithstanding section 362(e) of the Bankruptcy Code, if a Stay Relief Motion is scheduled in accordance with the Case Management Procedures for, or adjourned to, a hearing date 30 days after the filing of the Stay Relief Motion,

the moving party shall be deemed to have consented to the continuation of the automatic stay in effect pending the conclusion of, or as a result of, a final hearing and determination under section 362(d) of the Bankruptcy Code, and shall be deemed to have waived its right to assert the termination of the automatic stay under section 362(e) of the Bankruptcy Code.

43. ***Motions for Summary Judgment.*** Pursuant to Local Rule 7056-1, no motion for summary judgment may be made without first seeking a pre-motion conference. A request for such conference should be made by letter setting forth the issues to be presented under the summary judgment motion, which letter shall be filed and served in accordance with the Case Management Procedures.

44. ***Motions for Reargument.*** Motions for reargument must identify with particularity the matter for reconsideration in accordance with Local Rule 9023-1. If, after review of the motion, the Court determines that it wishes a response, and/or hearing, it will notify the applicable parties accordingly.

45. ***Motions for Temporary Restraining Orders.*** Parties seeking a temporary restraining order (a “TRO”) must comply with the requirements of Federal Rule of Civil Procedure 65(b). Applications for a TRO will be heard in open court, on the record, with a court reporter or audio recording. Parties wishing to oppose a TRO may be heard by telephone upon request to Chambers. Applicants seeking TROs are reminded of the need to submit with their motion papers the written affidavit required under Federal Rule of Civil Procedure 65(b) confirming the notice provided to anyone who might wish to oppose the application. Any assertions that notice cannot or should not be given must likewise be supported by affidavit. Any request for a TRO must be preceded by a telephone call to chambers, advising chambers of the nature of the controversy, the need for emergency relief, why a noticed hearing for a preliminary injunction would be

insufficient, when a hearing on the TRO application is needed, and when the motion papers will be forthcoming. Except in those rare cases where advance notice of the TRO application would vitiate the purpose of a TRO (and where that can be established by affidavit), immediate telephonic notice of the application must be provided to all parties reasonably expected to be affected by entry of the TRO, or provisions therein. In addition, the motion papers on any TRO application must be hand delivered, emailed, or faxed to any such parties at the same time that the papers are provided to chambers.

46. *Automatic Extension of Certain Time Periods.* If a Request for Relief to extend the time to take any action is filed prior to the expiration of the time period provided by the Bankruptcy Code (including any Request for Relief pursuant to section 1121 of the Bankruptcy Code), the Bankruptcy Rules, the Local Rules, or any order of the Bankruptcy Court, the time to so take action shall be automatically extended until the Bankruptcy Court considers and rules upon the Request for Relief.

### **III. Additional Case Management Procedures.**

47. *Adequate Notice.* Notice and service accomplished in accordance with the provisions set forth in the Case Management Procedures shall be deemed adequate in all respects pursuant to the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

48. *Computation of Time.* Unless otherwise specified, all time periods referenced in the Case Management Procedures shall be calculated in accordance with Bankruptcy Rule 9006(a).

49. *Effect of the Case Management Procedures.* The Bankruptcy Rules and the Local Rules shall continue to apply to all proceedings in these chapter 11 cases, except to the extent that any provision of the Case Management Procedures by its terms supersedes or is inconsistent with such rules.

50. ***Promulgation of the Case Management Procedures.*** As soon as practicable after the entry of the proposed Order, a copy of the Case Management Procedures shall be served by the Debtors on each of the parties on the Master Service List. In addition, shortly after the end of each calendar month, Prime Clerk or counsel to the Debtors shall serve a copy of the Case Management Procedures upon any party filing a 2002 Notice Request within such calendar month. To help ensure that all parties who may participate in these chapter 11 cases are aware of the terms of the Case Management Procedures, the Debtors will post the Case Management Procedures on the Case Website.
