¹ Given the volume of objections filed, the Reorganized Debtors made their best efforts to include all cure objections on this list.

To the extent the Reorganized Debtors inadvertently included or excluded an objection, or improperly reflected the status of an objection, the Reorganized Debtors will modify this exhibit accordingly. Additionally, this list may include cure objections which have been informally resolved, but have not yet been withdrawn from the Court’s docket.

Furthermore, this exhibit may include late-filed cure objections. Nothing in this exhibit constitutes an admission as to the validity of any late-filed cure objections. The Reorganized Debtors reserve the right to assert that such late-filed objections are invalid and/or are concessions to the Reorganized Debtors’ proposed cure amounts, as authorized by the Confirmation Order.
