(9) the term “all or substantially all” when applied to the assets of Holdings, the Company, a Restricted Subsidiary or a Guarantor or to the Collateral shall not be read to mean “any” of such assets or “any” of the Collateral as a result of Holdings, the Company, a Restricted Subsidiary or a Guarantor being in the “zone of insolvency.”

ARTICLE 2 THE NOTES

SECTION 2.01. Amount of Notes. The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture on the Issue Date is \$305,000,000. The Initial Notes and any Additional Notes will be treated as a single series of Notes for purposes of this Indenture.

The Issuer may from time to time after the Issue Date issue Additional Notes under this Indenture in an unlimited principal amount, so long as (i) the Incurrence of the Indebtedness represented by such Additional Notes is at such time permitted by Section 4.03 and Section 4.12 and (ii) such Additional Notes are issued in compliance with the other applicable provisions of this Indenture. Additional Notes shall have identical terms as the Initial Notes Issued on the Issue Date, other than with respect to the date of issuance and issue price and as contemplated by clause (4) below. With respect to any Additional Notes issued after the Issue Date (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 2.07, 2.08, 2.09, 2.10, 3.08, 4.06(b) or 4.08(c)), there shall be (a) established in or pursuant to a resolution of the Board of Directors of the Issuer and (b) (i) set forth or determined in the manner provided in an Officer’s Certificate or (ii) established in one or more indentures supplemental hereto, prior to the issuance of such Additional Notes:

(1) the aggregate principal amount of such Additional Notes which may be authenticated and delivered under this Indenture;

(2) the issue price and issuance date of such Additional Notes, including the date from which interest on such Additional Notes will accrue; and

(3) if applicable, that such Additional Notes shall be issuable in whole or in part in the form of one or more Global Notes and, in such case, the respective depositaries for such Global Notes, the form of any legend or legends which shall be borne by such Global Notes in addition to or in lieu of those set forth in Section 2.07 and any circumstances in addition to or in lieu of those set forth in Section 2.07 in which any such Global Note may be exchanged in whole or in part for Additional Notes registered, or any transfer of such Global Note in whole or in part may be registered, in the name or names of Persons other than the depositary for such Global Note or a nominee thereof.

If any of the terms of any Additional Notes are established by action taken pursuant to a resolution of the Board of Directors of the Issuer, a copy of an appropriate record of such action shall be certified by the Secretary or any Assistant Secretary of the Issuer and delivered to the Trustee at or prior to the delivery of the Officer’s Certificate or the indenture supplemental hereto setting forth the terms of the Additional Notes.

In authenticating any Additional Notes, and accepting the additional responsibilities under this Indenture in relation to such Additional Notes, the Trustee shall be entitled to receive and shall be fully protected in relying upon an Officer's Certificate and an Opinion of Counsel complying with Section 12.02.

SECTION 2.02. Form and Dating.

(a) General. The Notes, any Additional Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibits A1 or A2 attached hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage (provided that any such notation, legend or endorsement required by usage is in a form reasonably acceptable to the Issuer). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) Global Notes. Notes issued in global form shall be substantially in the form of Exhibits A1 or A2 attached hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A1 attached hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges, repurchases and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee, as custodian with respect to the Notes in global form, or any successor entity thereto, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.07 and shall be made on the records of the Trustee and the Depository.

(c) Temporary Global Notes. Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Regulation S Temporary Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee, as custodian with respect to the Notes in global form, or any successor entity thereto, at the Office of the Trustee and registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. Following the expiration of the Restricted Period, beneficial interests in the Regulation S Temporary Global Note shall be exchanged for beneficial interests in the Regulation S Permanent Global Note upon the receipt by the Trustee of an Officer's Certificate from the Issuer.

Any such exchange of beneficial interests in the Regulation S Temporary Global Note for beneficial interests in the Regulation S Permanent Global Note shall be subject to the Applicable Procedures. Simultaneously with the authentication of the Regulation S Permanent Global Note, the Trustee shall cancel the Regulation S Temporary Global Note. The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(d) Euroclear and Clearstream Procedures Applicable. The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Notes that are held by Participants through Euroclear or Clearstream.

SECTION 2.03. Execution and Authentication.

(a) The Trustee shall authenticate and make available for delivery upon a written order of the Issuer signed by one Officer (an "Authentication Order") (i) Notes for original issue on the date hereof in an aggregate principal amount of \$305,000,000 and (ii) subject to the terms of this Indenture, Additional Notes in an aggregate principal amount to be determined at the time of issuance and specified therein. Such Authentication Order shall specify the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes or Additional Notes. Notwithstanding anything to the contrary in this Indenture, any issuance of Additional Notes after the Issue Date shall be in a principal amount of at least \$2,000.

(b) One Officer shall sign the Notes for the Issuer by manual, .pdf or facsimile signature.

(c) If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

(d) A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

(e) The Trustee may appoint one or more authenticating agents reasonably acceptable to the Issuer to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

(f) The Trustee is hereby authorized to enter into a letter of representations with the Depository in the form provided by the Issuer and to act in accordance with such letter.

SECTION 2.04. Registrar and Paying Agent.

(a) The Issuer shall maintain (i) an office or agency where Notes may be presented for registration of transfer or for exchange (the “*Registrar*”), and (ii) an office or agency where Notes may be presented for payment (the “*Paying Agent*”). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrars. The term “Paying Agent” includes the Paying Agent and any additional paying agents. The Issuer initially appoints the Trustee, or any successor entity thereto, as (i) Registrar and Paying Agent in connection with the Notes and (ii) the Trustee, as custodian with respect to the Global Notes. The Issuer initially appoints The Depository Trust Company (“*DTC*”) to act as Depository with respect to the Global Notes.

(b) If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.06. The Issuer or any Affiliate of the Issuer may act as Paying Agent or Registrar.

(c) The Issuer may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; provided, however, that no such removal shall become effective until (i) if applicable, acceptance of an appointment by a successor as evidenced by an appropriate agreement entered into by the Issuer and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuer and the Trustee; provided, however, that the Trustee may resign as Paying Agent or Registrar only if the Trustee also resigns as Trustee in accordance with Section 7.08.

SECTION 2.05. Paying Agent to Hold Money in Trust. On or prior to 11:00 a.m. New York City time on each due date of the principal of and interest on any Note, the Issuer shall deposit with the Paying Agent(s) a sum sufficient to pay such principal and interest when so becoming due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that a Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by a Paying Agent for the payment of principal of and interest on the Notes, and shall notify the Trustee in writing of any default by the Issuer in making any such payment. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.05, a Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists. The Trustee shall use best efforts to preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may reasonably request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

SECTION 2.07. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. A Global Note is exchangeable for Definitive Notes if:

- (1) notifies the Issuer that it is unwilling or unable to continue as Depository for the Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in either case, the Issuer fails to appoint a successor Depository;
- (2) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of the Definitive Notes; provided, however, that in no event shall the Regulation S Temporary Global Note be exchanged for Certificated Notes prior to (a) the expiration of the Restricted Period and (b) the receipt of any certificates required under the provisions of Regulation S; or
- (3) there has occurred and is continuing an Event of Default with respect to the Notes and the Depository requests such exchange.

Upon the occurrence of any of the preceding events in (1), (2) or (3) above, Definitive Notes shall be issued in such names as the Depository shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.08 and 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.07 or Sections 2.08 or 2.10, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.07(a); however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.07 (b) or (c).

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; provided, however, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Temporary Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.07(b)(1).

(2) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.07(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in clause (i) above; provided that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Temporary Global Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 under the Securities Act.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.07(h).

(3) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.07(b)(2) above and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee shall take delivery in the form of a beneficial interest in the Regulation S Global Note then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.07(b)(2) above and the Registrar receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.03, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Definitive Notes.

(1) Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes. If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such beneficial interest is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(F) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.07(h), and the Issuer shall execute and, upon receipt of an Authentication Order, the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.07(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.07(c)(1) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(2) Beneficial Interests in Regulation S Temporary Global Note to Definitive Notes. Notwithstanding Sections 2.07 (c)(1)(A) and (C), a beneficial interest in the Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (A) the expiration of the Restricted Period and (B) the receipt by the Registrar of any certificates required pursuant to Rule 903 (b)(3)(ii)(B) under the Securities Act, except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

(3) Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes. A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only if the Registrar receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

(iii) and, in each such case, if the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(4) Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes. If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.07(b)(2), the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.07(h), and the Issuer shall execute and, upon receipt of an Authentication Order, the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.07(c)(4) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.07(c)(4) shall not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests.

(1) Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such Restricted Definitive Note is being transferred to a non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof;

(E) if such Restricted Definitive Note is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(b) thereof; or

(F) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof;

the Trustee shall cancel the Restricted Definitive Note and increase or cause to be increased the aggregate principal amount of the applicable Global Note.

(2) Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(i) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(c) thereof; or

(ii) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.07(d)(2), the Trustee shall cancel the Definitive Notes and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(3) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.03, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes transferred or exchanged.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.07(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.07(e).

(1) Restricted Definitive Notes to Restricted Definitive Notes. Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer shall be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) If the transfer shall be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transfer shall be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications required by item (3) thereof, if applicable.

(2) Restricted Definitive Notes to Unrestricted Definitive Notes. Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(A) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(B) if the Holder of such Restricted Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Issuer so requests, an Opinion of Counsel in form reasonably acceptable to the Issuer to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) Transfer and Exchange of Beneficial Interests in an Unrestricted Global Note for a Beneficial Interest in a Restricted Global Note. In the event that a Person is taking delivery of beneficial interest in any Unrestricted Global Note from any Affiliate of the Issuer, such beneficial interest may be exchanged by such holder thereof for a beneficial interest in a Restricted Global Note or transferred to such Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note if the transfer complies with the requirements of Section 2.07(b)(2) above and the Registrar receives from the transferor a certificate certifying that the transferor is an Affiliate of the Issuer and that such exchange or transfer is being effected pursuant to and in compliance with an exemption of the Securities Act and in compliance with the transfer restrictions contained in this Indenture and any applicable blue sky securities laws of any applicable State of the United States. The Issuer will issue and, upon receipt of an Authentication Order in accordance with Section 2.03 hereof, the Trustee will authenticate one or more Restricted Global Notes (which shall initially be in the form of a 144A Global Note) in an aggregate amount of the Unrestricted Notes so exchanged or transferred.

(h) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(1) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.03 or at the Registrar's request.

(2) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.11, 3.08, 4.06, 4.08 and 9.04).

(3) The Registrar shall not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) The Issuer and Registrar shall not be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.04 and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(7) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.03.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.07 to effect a registration of transfer or exchange may be submitted by facsimile.

(9) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Notes (including any transfers between or among Depository Participants or beneficial owners of interests in any Global Notes) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

(10) To the extent that any Notes are issued at a discount to their stated redemption price at maturity and bear the OID Legend, each group of Notes bearing a given amount of original issue discount shall be treated as a separate series only for purposes of the transfer and exchange provisions of this Section 2.07 and may trade under a separate CUSIP number.

SECTION 2.08. Replacement Notes.

(a) If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (1) satisfies the Issuer within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (2) makes such request to the Issuer prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a "protected purchaser") and (3) satisfies any other reasonable requirements of the Trustee and the Company. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of (i) Trustee to protect the Trustee and (ii) the Issuer to protect the Issuer, the Trustee, a Paying Agent and the Registrar, from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in

replacing a Note (including attorneys' fees and disbursements in replacing such Note). In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

(b) Every replacement Note is an obligation of the Issuer and the Guarantors.

(c) The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

SECTION 2.09. Outstanding Notes.

(a) The Notes outstanding at any time are all Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those redeemed pursuant to Article 3 and those described in this Section 2.09 as not outstanding. Subject to Section 12.04, a Note does not cease to be outstanding because the Issuer, a Guarantor or an Affiliate of the Issuer or a Guarantor holds the Note.

(b) If a Note is replaced or paid by the Issuer pursuant to Section 2.08 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08.

(c) If a Paying Agent segregates and holds in trust, in accordance with this Indenture, on a redemption date or maturity date money sufficient to pay all principal and interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate Definitive Notes and make them available for delivery in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as Definitive Notes.

SECTION 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in accordance with its customary procedures. Certification of the disposal of all canceled Notes shall be delivered to the Issuer upon its written request therefor. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

SECTION 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, the Issuer shall pay the defaulted interest then borne by the Notes as set forth in Section 1 of the form of Note contained in Exhibit A1 and Exhibit A2, as the case may be (plus interest on such defaulted interest to the extent lawful), in any lawful manner. The Issuer may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date to the reasonable satisfaction of the Trustee and shall promptly provide or cause to be provided to each affected Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.13. CUSIP Numbers, ISINs, etc. The Issuer in issuing the Notes may use CUSIP numbers, ISINs and "Common Code" numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers, ISINs and "Common Code" numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers, either as printed on the Notes or as contained in any notice of a redemption, that reliance may be placed only on the other identification numbers printed on the Notes and that any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall advise the Trustee in writing of any change in the CUSIP numbers, ISINs and "Common Code" numbers.

SECTION 2.14. Calculation of Principal Amount of Notes. The aggregate principal amount of the Notes, at any date of determination, shall be the principal amount of the Notes outstanding at such date of determination. With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes then outstanding, such percentage shall be calculated, on the relevant date of determination, by dividing (a) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 12.04 of this Indenture. Any such calculation made pursuant to this Section 2.14 shall be made by the Issuer and delivered to the Trustee pursuant to an Officer's Certificate.

ARTICLE 3 REDEMPTION

SECTION 3.01. Redemption. The Notes may be redeemed, in whole, or from time to time in part, subject to the conditions and at the redemption prices set forth in Paragraph 5 of the form of Notes set forth in Exhibit A1 and Exhibit A2, which are hereby incorporated by reference and made a part of this Indenture, together with accrued and unpaid interest and additional interest, if any, to the redemption date.

SECTION 3.02. Applicability of Article. Redemption of Notes at the election of the Issuer or otherwise, as permitted or required by the Notes or any provision of this Indenture, shall be made in accordance with the Notes, such provision and this Article.

SECTION 3.03. Notices to Trustee. If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Paragraph 5 of the Note, it shall notify the Trustee in writing of (i) the Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price. The Issuer shall give notice to the Trustee provided for in this paragraph at least 35 days but not more than 60 days before a redemption date if the redemption is pursuant to Paragraph 5 of the Note, unless a shorter period is acceptable to the Trustee. Notwithstanding the foregoing, a notice of redemption may be sent more than 60 days prior to the redemption date if done in connection with Article 8 hereof. Such notice shall be accompanied by an Officer's Certificate and Opinion of Counsel from the Issuer to the effect that such redemption will comply with the conditions herein. Any such notice delivered to the Trustee for delivery to the Holders may be canceled upon delivery of a written notice at any time prior to notice of such redemption being provided to any Holder and shall thereby be void and of no effect.

SECTION 3.04. Selection of Notes to Be Redeemed. In the case of any partial redemption of Notes, selection of the Notes for redemption will be made by the Trustee on a pro rata basis or by lot and in accordance with the procedures of DTC; provided, however, that no Notes of \$2,000 or less shall be redeemed in part. The Trustee shall make the selection from outstanding Notes not previously called for redemption. The Trustee may select for redemption portions of the principal of Notes that have denominations larger than \$2,000 and portions of them the Trustee selects shall be in amounts of \$2,000 or a multiple of \$1,000 in excess thereof. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.05. Notice of Optional Redemption.

(a) At least 30 days but not more than 60 days before a redemption date, the Issuer shall provide or cause to be provided a notice of redemption to each Holder whose Notes are to be redeemed.

Any such notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date and any conditions to redemption;
- (ii) the redemption price and the amount of accrued interest to the redemption date;
- (iii) the name and address of a Paying Agent;
- (iv) that Notes called for redemption must be surrendered to a Paying Agent to collect the redemption price, plus accrued interest;
- (v) if fewer than all the outstanding Notes are to be redeemed, the certificate numbers and principal amounts of the particular Notes to be redeemed, the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption;

(vi) that, unless the Issuer defaults in making such redemption payment, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the redemption date;

(vii) the CUSIP number, ISIN or “Common Code” number, if any, printed on the Notes being redeemed;

(viii) that no representation is made as to the correctness or accuracy of the CUSIP number or ISIN or “Common Code” number, if any, listed in such notice or printed on the Notes; and

(ix) the applicable provision in this Indenture or the Notes pursuant to which the Issuer is redeeming such Notes.

(b) At the Issuer’s written request, the Trustee shall give the notice of redemption in the Issuer’s name and at the Issuer’s expense; provided, however, that the Issuer has delivered to the Trustee an Opinion of Counsel and an Officer’s Certificate, each covering the matters set forth in Sections 12.02 and 12.03. In such event, the Issuer shall provide the Trustee with the form of notice containing the information required by this Section 3.05 in no event less than 5 days in advance of the proposed delivery of the notice of redemption (unless a shorter period of time is acceptable to the Trustee).

(c) In connection with any redemption of Notes under the Indenture (including in connection with a Change of Control, an Asset Sale Offer or a redemption described in Paragraph 5 of the Notes), any such redemption may, at the Issuer’s discretion, be subject to one or more conditions precedent, including any related Equity Offering, other financing or a Change of Control. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer’s discretion, any of such conditions may be waived, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

SECTION 3.06. Effect of Notice of Redemption. Once notice of redemption is provided in accordance with Section 3.05, Notes called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, subject to the satisfaction of any conditions set forth in the notice delivered pursuant to Section 3.05. Upon surrender to any Paying Agent, such Notes shall be paid at the redemption price stated in the notice, plus accrued interest to the redemption date; provided, however, that if the redemption date is after a regular record date and on or prior to the interest payment date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

SECTION 3.07. Deposit of Redemption Price. With respect to any Notes, prior to 11:00 a.m., New York City time, on the redemption date, the Issuer shall deposit with the Paying Agent money sufficient to pay the redemption price of and accrued interest on all Notes or portions thereof to be redeemed on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Trustee for cancellation. In the event the conditions to redemption, if any, are not satisfied and the redemption is not completed, the money deposited with the Paying Agent shall be returned promptly to the Issuer (or such other Person as the Issuer may identify) and the Notes shall remain outstanding. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption so long as the conditions, if any, to redemption have been satisfied and the Issuer has deposited with the Paying Agent funds sufficient to pay the principal of, plus accrued and unpaid interest on, the Notes to be redeemed.

SECTION 3.08. Notes Redeemed in Part. Upon surrender of a Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer’s expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

SECTION 3.09. Special Mandatory Redemption.

(a) Concurrently with the closing of the initial purchase and sale of the Notes on the Issue Date, the Escrow Issuer will enter into an escrow agreement with the Trustee and Wilmington Trust, National Association, as escrow agent (the “*Escrow Agent*”), pursuant to which (i) the Initial Purchasers will deposit the gross proceeds of the offering of the Notes (which, for the avoidance of doubt, equals \$296,478,300.00) (the “*Gross Proceeds*”) into a designated escrow account (the “*Escrow Account*”) with the Escrow Agent and (ii) the Escrow Issuer (or one or more of its Affiliates) will deposit into the Escrow Account an amount, when combined with the Gross Proceeds, sufficient to (A) redeem in cash the Notes, in whole and not in part, at a redemption price equal to 101% of the initial offering price of the Notes (which initial offering price was 90.827% and 101% of such initial offering price being equal to \$279,792,573.50) (the “*Special Mandatory Redemption Price*”) plus interest with respect to the Notes up to, but not including, the Initial Outside Date (as defined below), (B) to pay the Purchasers’ Fees (as defined in the Escrow Agreement) or the Purchasers’ Overfund (as defined in the Escrow Agreement), as applicable, and (C) to pay the fees and expenses of the Escrow Agent pursuant to Section 1.7 of the Escrow Agreement. (the amount deposited pursuant to the preceding clauses (i) and (ii), collectively, the “*Escrowed Funds*”).

(b) As used herein, “*Outside Date*” means February 28, 2015 (the “*Initial Outside Date*”) or May 5, 2015 (the “*Final Outside Date*”), as applicable. The Escrow Issuer may elect on one occasion to extend the Initial Outside Date to the Final Outside Date in a notice to the Trustee and the Escrow Agent to be delivered not later than seven Business Days prior to the Initial Outside Date, so long as, concurrently with the provision of such notice, the Escrow Issuer or any of its Affiliates deposits in the Escrow Account under the control of the Escrow Agent an amount sufficient (as determined solely by Escrow Issuer acting in good faith), when taken together with the amount of the Escrowed Funds then on deposit, to pay (i) the Special Mandatory Redemption Price plus all interest with respect to the Notes up to, but not including, the Final Outside Date, (ii) the Purchasers’ Fees or the Purchasers’ Overfund, as applicable, and (iii) to pay the fees and expenses of the Escrow Agent pursuant to Section 1.7 of the Escrow Agreement.

(c) In the event that (i) the Acquisition is not consummated on or prior to the date that is three Business Days prior to the applicable Outside Date, (ii) at any time prior to the date that is three Business Days prior to the applicable Outside Date, certain conditions in the Escrow Agreement are deemed by the Escrow Issuer to be incapable of being satisfied on or prior to the applicable Outside Date, (iii) at any time prior to the date that is three Business Days prior to the applicable Outside Date, the Purchase and Sale Agreement is terminated or (iv) the Initial Outside Date is not extended pursuant to clause (b) above (any such event being a “*Mandatory Redemption Event*”), the Escrow Issuer will redeem all of the Notes (the “*Special Mandatory Redemption*”) at the Special Mandatory Redemption Price plus accrued and unpaid interest from the Issue Date to, but not including, the Special Mandatory Redemption Date (as defined below) on the Special Mandatory Redemption Date fixed for such redemption.

(d) If a Mandatory Redemption Event occurs, the Escrow Issuer will send the notice of a Special Mandatory Redemption (the “*Special Redemption Notice*”) within three Business Day following the occurrence of a Mandatory Redemption Event and in no event later than three Business Days prior to the applicable Outside Date, to the Trustee and the Escrow Agent. The Special Redemption Notice will specify the date fixed for such Special Mandatory Redemption (the “*Special Mandatory Redemption Date*”), which date may not be sooner than three Business Days from the date of such Special Redemption Notice and no later than the applicable Outside Date. Concurrently with the delivery of the Special Redemption Notice, the Escrow Issuer will instruct the Trustee to, at the Escrow Issuer’s expense, send (by first-class mail to each Holder’s registered address or otherwise in accordance with the procedures of DTC) a notice that a Special Mandatory Redemption will occur on the applicable Outside Date or the earlier date specified in the Special Redemption Notice. Within three Business Days after the Trustee’s delivery of such notice of a Mandatory Redemption Event (or, if earlier, on the applicable Outside Date), the Escrow Issuer will consummate the Special Mandatory Redemption.

(e) Upon the consummation of the Acquisition, the foregoing provisions regarding the Special Mandatory Redemption will cease to apply pursuant to this Section 3.09 or otherwise.

ARTICLE 4 COVENANTS

SECTION 4.01. Payment of Notes.

(a) The Issuer shall promptly pay the principal of (and premium, if any) and interest, on the Notes on the dates and in the manner provided in the Notes and in this Indenture. An installment of principal of or interest on the Notes shall be considered paid on the date it is due if by 11:00 a.m. New York City time on such date the Trustee or any Paying Agent holds in accordance with this Indenture money sufficient to pay all principal and interest then due.

(b) The Issuer shall pay interest on overdue principal at the rate specified therefor in the Notes and shall pay interest on overdue installments of interest at the same rate borne by the Notes to the extent lawful.

SECTION 4.02. Reports and Other Information.

(c) Notwithstanding the foregoing, (a) the Company will not be required to furnish any information, certificates or reports required by (i) Section 302, Section 404 or Section 906 of the Sarbanes-Oxley Act of 2002, or related Items 307 or 308 of Regulation S-K, (ii) Regulation G or Item 10(e) of Regulation S-K promulgated by the SEC with respect to any non-generally accepted accounting principles financial measures contained therein or (iii) Rule 3-05, 3-09 and 3-10 of Regulation S-X; *provided that*, such reports shall not be required to present compensation or beneficial ownership information and (b) such reports shall not be required to include any exhibits that would have been required to be filed pursuant to Item 601 of Regulation S-K (except this clause (b) shall not apply to any annual, quarterly or pro forma financial statements otherwise expressly required to be provided under this covenant).

(d) The Company will (x) deliver such information and such reports to any Holder of a Note and, upon request, to any beneficial owner of the Notes, in each case by posting such information (a) on a publicly available section of its website, (b) to the extent that the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, by filing on the SEC’s EDGAR site (or any successor thereto) or (c) on Intralinks or any comparable password-protected online data system, which may require a confidentiality acknowledgment, and will make such information readily available to any prospective investor in the Notes that certifies that it is an eligible purchaser of the Notes, any securities analyst (to the extent providing analysis of investment in the Notes) or any market maker in the Notes, in each case who (i) agrees to treat such information as confidential or (ii) accesses such information on Intralinks or any comparable password-protected online data system which will require a confidentiality acknowledgment; *provided that* the Company shall post such information thereon and make readily available any password or other login information to any such prospective investor in the Notes, securities analyst (to the extent providing analysis of investment in the Notes) or market maker in the Notes. The Company will hold a quarterly conference call for all Holders and securities analysts (to the extent providing analysis of investment in the Notes) to discuss such financial information within ten (10) Business Days after distribution of such financial information or otherwise providing substantially comparable availability of such reports (as determined by the Company in good faith) (it being understood that, without limitation, making such reports available on Bloomberg or another private electronic information service shall constitute substantially comparable availability); it being understood that any customary quarterly earnings calls with public equity holders shall be deemed to constitute such quarterly conference calls for all Holders and such securities analysts.

(e) To the extent not satisfied by the foregoing, the Company will also furnish to Holders, securities analysts (to the extent providing analysis of investment in the Notes) and prospective investors in the Notes upon request the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act, so long as the Notes are not freely transferable under the Securities Act.

(f) If the Company has designated any of its Subsidiaries as an Unrestricted Subsidiary and if any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly information required by the first paragraph of this covenant shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of such Unrestricted Subsidiaries.

(g) Notwithstanding the foregoing, the financial statements, information and other documents required to be provided as described above, may be those of (i) Intermediate Holdings or (ii) any direct or indirect parent of Intermediate Holdings; *provided that*, if the financial statements so furnished relates to Intermediate Holdings or such direct or indirect parent of Intermediate Holdings, the same is accompanied by consolidating financial statements contained in Intermediate Holdings' or such parent's financial statements or the notes thereto that summarize in reasonable detail the differences between the financial statements and other information relating to Intermediate Holdings or such parent, on the one hand, and the financial statements and other information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand, and, unless such differences are immaterial, the information so furnished shall include a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and a presentation of Adjusted EBITDA (all of the foregoing financial information to be prepared on a basis substantially consistent with the corresponding financial information included in the Offering Circular) of the Company and its Restricted Subsidiaries on a standalone basis.

(h) Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive knowledge or notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

SECTION 4.03. Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock.

(a) Prior to the Effective Date, the Escrow Issuer will not, and Intermediate Holdings will not permit the Company or any of its Restricted Subsidiaries to, and from and after the Effective Date, the Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) or issue any shares of Disqualified Stock and the Company will not permit any of its Restricted Subsidiaries to issue any shares of Preferred Stock; *provided, however*, that the Company and any Restricted Subsidiary may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock and any Restricted Subsidiary may issue shares of Preferred Stock, in each case if the Fixed Charge Coverage Ratio of the Company for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00 determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period; *provided* that the amount of Indebtedness (including Acquired Indebtedness), Disqualified Stock and Preferred Stock that may be incurred or issued, as applicable, pursuant to the foregoing by Restricted Subsidiaries that are not Subsidiary Guarantors shall not exceed \$50.0 million at any one time outstanding.

officer of the Company, to any acquisitions or dispositions that have occurred or are expected to occur at or prior to the date of incurrence of such Indebtedness and following such balance sheet date);

- (2) the Incurrence by the Issuer and the Subsidiary Guarantors of Indebtedness represented by the Notes (not including any Additional Notes) and the related Guarantees, as applicable;

- (6) Indebtedness arising from agreements of the Company or any of its Restricted Subsidiaries providing for adjustment of purchase price or similar obligations, in each case, Incurred in connection with the acquisition or disposition of any business, assets or a Subsidiary of the Company in accordance with the terms of the Indenture, other than guarantees of Indebtedness Incurred by any Person acquiring all or any portion of such business, assets or Subsidiary for the purpose of financing such acquisition; *provided, however*, that, at the time of closing, the amount of such Indebtedness is not determinable and, to the extent such Indebtedness thereafter becomes fixed and determined, the Indebtedness is paid within 60 days thereafter;
- (7) Indebtedness of the Company to a Restricted Subsidiary; *provided, however*, that any such Indebtedness is subordinated in right of payment to the obligations of the Company under the Notes and the Indenture; *provided further, however*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to another Restricted Subsidiary) shall be deemed, in each case to be an Incurrence of such Indebtedness;
- (8) shares of Preferred Stock of a Restricted Subsidiary issued to the Company or another Restricted Subsidiary; provided, however, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary that holds such shares of Preferred Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Company or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock;

- (10) Hedging Obligations that are not Incurred for speculative purposes and are (i) for the purpose of managing exposure to interest rate risk with respect to any Indebtedness that is permitted by the terms of the Indenture to be outstanding; (ii) for the purpose of managing exposure to currency exchange rate risk with respect to any currency exchanges; or (iii) for the purpose of managing exposure to commodity price risk with respect to any metal, fuel or other commodity purchases or sales;

- (13) any guarantee by the Company or any of its Restricted Subsidiaries of Indebtedness or other obligations of the Company or any of its Restricted Subsidiaries so long as the Incurrence of such Indebtedness or other obligations Incurred by the Company or such Restricted Subsidiary is permitted under the terms of the Indenture; provided, however, that if such Indebtedness is by its express terms subordinated in right of payment to the Notes or the Guarantee of such Restricted Subsidiary, as applicable, any such guarantee of any Guarantor with respect to such Indebtedness shall be subordinated in right of payment to such Guarantor's Guarantee with respect to the Notes substantially to the same extent as such Indebtedness is subordinated to the Notes or the Guarantee of such Guarantor, as applicable;
- (14) the Incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness which serves to refund, refinance or defease any Indebtedness Incurred under the first paragraph of this covenant or clause (2), (3), (4), (12), (14), (15) or (18) of this paragraph (subject to the following proviso, "Refinancing Indebtedness"); *provided, however*, that such Refinancing Indebtedness:
- (i) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is Incurred which is not less than the shorter of (x) the remaining Weighted Average Life to Maturity of the Indebtedness being refunded or refinanced and (y) the Weighted Average Life to Maturity that would result if all payments of principal on the Indebtedness being refunded or refinanced that were due on or after the date one year following the last maturity date of any Notes then outstanding were instead due on such date one year following;
 - (ii) has a Stated Maturity which is no earlier than the earlier of (x) the Stated Maturity of the Indebtedness being refunded or refinanced or (y) one year following the last maturity date of any Notes then outstanding;
 - (iii) to the extent such Refinancing Indebtedness refinances Indebtedness junior in right of payment to the Notes or the Guarantee of such Restricted Subsidiary, as applicable, such Refinancing Indebtedness is junior in right of payment to the Notes or the Guarantee of such Restricted Subsidiary, as applicable;
 - (iv) is Incurred in an aggregate principal amount (or if issued with significant original issue discount, an aggregate issue price) that is equal to or less than the aggregate principal amount (or if issued with significant original issue discount, the aggregate accreted value) then outstanding of the Indebtedness being refinanced plus premium, any accrued and unpaid interest thereon and fees and expenses required to be paid in connection with such refinancing;
 - (v) shall not include (x) Indebtedness of a Restricted Subsidiary of the Company that is not a Guarantor that refinances Indebtedness of the Company or a Guarantor (unless such Restricted Subsidiary is an obligor with respect to such Indebtedness being refinanced), or (y) Indebtedness of the Company or a Restricted Subsidiary that refinances Indebtedness of an Unrestricted Subsidiary; and
 - (vi) in the case of any Refinancing Indebtedness Incurred to refinance Indebtedness outstanding under clause (4), (12) or (18), shall be deemed to have been Incurred and to be outstanding under such clause (4), (12) or (18), as applicable, and not this clause (14) for purposes of determining amounts outstanding under such clause (4), (12) or (18), as applicable;
- provided further, however*, that subclauses (i), (ii) and (iii) of this clause (14) will not apply to any Refinancing Indebtedness Incurred to refund, refinance or defease the Notes;
- (15) Indebtedness or Disqualified Stock (x) of the Company or any Subsidiary Guarantor incurred to finance or assumed in connection with the acquisition of any Person or assets (other than the Acquisition) or (y) of Persons that are acquired by the Company or any Restricted Subsidiary or merged into the Company or a Restricted Subsidiary in accordance with the terms of the Indenture (other than the Acquisition); *provided, however*, that after giving effect to such acquisition or merger, either:
- (i) the Company would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of this covenant; or
 - (ii) the Fixed Charge Coverage Ratio of the Company and the Restricted Subsidiaries on a consolidated basis is greater than immediately prior to such acquisition or merger;
- (16) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of its Incurrence;

- (17) Indebtedness of the Company or any Restricted Subsidiary consisting of (x) the financing of insurance premiums, (y) take or pay obligations contained in supply arrangements, in each case, entered into in the ordinary course of business or (z) to the extent constituting Indebtedness, obligations under a Permitted Supplier Financing Arrangement; and
- (18) Indebtedness or Disqualified Stock of a Restricted Subsidiary incurred to finance or assumed in connection with an acquisition, which, when aggregated with the principal amount of all other Indebtedness and Disqualified Stock incurred pursuant to this clause (18) then outstanding (including any such Refinancing Indebtedness) does not exceed \$10.0 million.

(c) Any Indebtedness incurred under a revolving Credit Agreement, including under the North America ABL Facility or the German Factoring Facility, pursuant to clause (a) of the second paragraph of this covenant shall be deemed for purposes of this covenant to have been incurred on the date such Indebtedness was first incurred until such Indebtedness is actually repaid in a manner which results in the permanent reduction in the applicable commitments other than pursuant to a refinancing permitted under the Intercreditor Agreement.

(d) Notwithstanding the foregoing, the Company and the Guarantors may not Incur any Indebtedness pursuant to paragraph (b) above if the proceeds thereof are used, directly or indirectly, to repay, prepay, redeem, defease, retire, refund or refinance any Subordinated Indebtedness unless such Indebtedness will be subordinated to the Notes or such Guarantor's Guarantee, as applicable, to at least the same extent as such Subordinated Indebtedness.

(e) For purposes of determining compliance with this Section 4.03 and Section 4.11, (A) Indebtedness need not be Incurred solely by reference to one category of permitted Indebtedness described in clauses (1) through (18) above or pursuant to the first paragraph of this covenant but is permitted to be Incurred in part under any combination thereof and (B) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories of permitted Indebtedness described in clauses (1) through (18) above or is entitled to be Incurred pursuant to the first paragraph of this covenant, the Company shall, in its sole discretion, classify or reclassify (based on circumstances existing at the time of such reclassification) such item of Indebtedness (or any portion thereof) in any manner that complies with this covenant and will only be required to include the amount and type of such item of Indebtedness in one of the above clauses and such item of Indebtedness will be treated as having been Incurred pursuant to only one of such clauses or pursuant to the first paragraph hereof; provided, however, that all Indebtedness under the North America ABL Facility and the German Factoring Facility outstanding on the Effective Date shall be deemed to have been Incurred pursuant to clause (1) and the Company shall not be permitted to reclassify all or any portion of Indebtedness Incurred pursuant to such clause; *provided further, however*, that the Company shall not be permitted to reclassify any portion of any Secured Indebtedness unless the Lien is also permitted with respect to such Secured Indebtedness as so reclassified. Accrual of interest, the accretion of accreted value, amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock of the Company, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in clause (3) of the definition of "Indebtedness" will not be deemed to be an Incurrence of Indebtedness for purposes of this covenant. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided, however*, that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this covenant.

(f) For all purposes of the Indenture, (1) unsecured Indebtedness will not be treated as subordinated or junior to Secured Indebtedness merely because it is unsecured, (2) secured Indebtedness will not be treated as subordinated or junior to any other secured Indebtedness to which such Indebtedness is not junior in right of payment merely because it has junior priority with respect to the same collateral, (3) Indebtedness of such Person which is not guaranteed will not be treated as subordinated or junior to Indebtedness that is guaranteed merely because of such guarantee and (4) Indebtedness will not be deemed to be senior or subordinated merely because of the application of waterfall or other payment-ordering or collateral-sharing provisions affecting such Indebtedness.

(g) The Company will not incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is contractually subordinate or junior in right of payment to any senior debt of the Company and senior in right of payment to the Notes. No Subsidiary Guarantor will incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is contractually subordinate or junior in right of payment to the senior debt of such Subsidiary Guarantor and senior in right of payment to such Subsidiary Guarantor's Guarantee. No such Indebtedness will be considered to be contractually subordinated or junior in right of payment to any senior debt of the Company or any Subsidiary Guarantor by virtue of being unsecured or by virtue of being secured on a junior priority basis.

- (3) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case prior to any scheduled repayment or scheduled maturity, any Subordinated Indebtedness of the Escrow Issuer or the Company or any Subsidiary Guarantor (other than the payment, redemption, repurchase, defeasance, acquisition or retirement of Subordinated Indebtedness in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, redemption, repurchase, defeasance, acquisition or retirement and Indebtedness permitted under clause (7) or (9) of the definition of Permitted Debt); or
- (4) make any Restricted Investment;

- (ii) no Default shall have occurred and be continuing or would occur as a consequence thereof;

 - (1) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from October 1, 2014 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit), plus

 - (3) 100% of the aggregate amount of cash contributions to the capital of the Company received after the Effective Date (other than any Equity Issuance, the Equity Contribution, Refunding Capital Stock and Disqualified Stock), plus

 - (B) the sale (other than to the Company or a Restricted Subsidiary of the Company) of the Capital Stock of an Unrestricted Subsidiary, plus
- (5) in the event any Unrestricted Subsidiary of the Company has been redesignated as a Restricted Subsidiary or has been merged, consolidated or amalgamated with or into, or transfers or conveys its assets to, or is liquidated into, the Company or a Restricted Subsidiary of the Company, in each case subsequent to the Effective Date, the Fair Market Value (as determined in accordance with the next succeeding sentence) of the Investment of the Company in such Unrestricted Subsidiary at the time of such redesignation, combination or transfer (or of the assets transferred or conveyed, as applicable), after deducting any Indebtedness associated with the Unrestricted Subsidiary so designated or combined or any Indebtedness associated with the assets so transferred or conveyed (other than in each case to the extent that the designation of such Subsidiary as an Unrestricted Subsidiary was made pursuant to clause (6) of paragraph (b) below or constituted a Permitted Investment).
- (b) The foregoing provisions will not prohibit (each a “*Permitted Payment*”):
- (1) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of the Indenture;
 - (2) (A) the repurchase, retirement or other acquisition of any Equity Interests (“*Retired Capital Stock*”) of the Company or any direct or indirect parent company of the Company or Subordinated Indebtedness of the Company or any Subsidiary Guarantor in exchange for, or out of the net proceeds of the sale, retirement or other acquisition of Equity Interests of the Company or any direct or indirect parent company of the Company or contributions to the equity capital of the Company received after the Effective Date (other than any Equity Issuance, Equity Contribution and Disqualified Stock or any Equity Interests sold to a Subsidiary of the Company or to an employee stock ownership plan or any trust established by the Company or any of its Subsidiaries) (collectively, including any such contributions, “*Refunding Capital Stock*”) and (B) the declaration and payment of accrued dividends on the Retired Capital Stock out of the proceeds of the sale (other than to a Subsidiary of the Company or to an employee stock ownership plan or any trust established by the Company or any of its Subsidiaries) of Refunding Capital Stock;

 - (A) the principal amount of such new Indebtedness (or, if such Indebtedness is issued at a significant original issue discount, the aggregate issue price) does not exceed the principal amount (or, if such Indebtedness was issued at a significant original issue discount, the aggregate accreted value at such time) of the Subordinated Indebtedness being so paid, redeemed, repurchased, defeased, acquired or retired for value (plus the amount of any premium required to be paid under the terms of the instrument governing the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired plus any fees and expenses incurred in connection therewith plus any accrued and unpaid interest thereon and any expenses incurred relating thereto),
 - (B) such Indebtedness is subordinated in right of payment to the Notes or the related Guarantee, as the case may be, at least to the same extent as such Subordinated Indebtedness so paid, purchased, exchanged, redeemed, repurchased, defeased, acquired or retired for value,

- (5) any restriction with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of all or substantially all the Capital Stock or assets of such Restricted Subsidiary pending the closing of such sale or disposition;
- (6) Secured Indebtedness otherwise permitted to be Incurred pursuant to Section 4.03 and Section 4.11 hereof that limit the right of the debtor to dispose of the assets securing such Indebtedness;
- (7) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (8) customary provisions in joint venture agreements, asset sale agreements, sale and leaseback agreements and other similar agreements;
- (9) purchase money obligations for property acquired in the ordinary course of business or Capitalized Lease Obligations that impose restrictions of the nature discussed in clause (c) above on the property so acquired;
- (10) customary provisions contained in leases, licenses and other similar agreements entered into in the ordinary course of business that impose restrictions of the type described in clause (c) above on the property subject to such lease, license or other similar agreement;
- (11) restrictions or conditions contained in any consignment, bailment, trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Company or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business; *provided, however*, that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are the subject of such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of the Company (if the Company is not party to such agreement) or any other Restricted Subsidiary;

 - (ii) that is Incurred by a Foreign Subsidiary of the Company subsequent to the Effective Date pursuant to clauses (4), (12), (13) but limited to guarantees of Indebtedness of other Foreign Subsidiaries described in this clause (13)(ii) or (14) (but only to the extent such Indebtedness refunds, refinances or decreases Indebtedness of such Foreign Subsidiary Incurred pursuant to clause (4) or (12)) of the definition of Permitted Debt; *provided, however*, that such encumbrance or restriction applies only to Foreign Subsidiaries of the Company;
- (14) any encumbrances or restrictions of the type referred to in clauses (a), (b) and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or

- (15) any encumbrances or restrictions of the type referred to in clause (c) above imposed by any Permitted Liens referred to in clauses (1) and (4) of the definition thereof.

For purposes of determining compliance with this covenant, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to the Company to other Indebtedness Incurred by the Company shall not be deemed a restriction on the ability to make loans or advances.

SECTION 4.06. Asset Sales.

(a) Prior to the Effective Date, the Escrow Issuer will not, and Intermediate Holdings will not permit the Company or any of its Restricted Subsidiaries to, and from and after the Effective Date, the Company will not, and will not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale of any Notes Collateral unless:

- (1) the Company or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets sold or otherwise disposed of;
- (2) at least 75% of the consideration thereof received by the Company or such Restricted Subsidiary is in the form of Cash Equivalents or Asset Sale Cash Equivalents;
- (3) (i) to the extent that any assets received by the Company and its Restricted Subsidiaries in such Asset Sale constitute securities or may be used or useful in a Similar Business, such assets are concurrently with their acquisition pledged as Collateral in accordance with the Indenture and the Security Documents and held by the Company, a Guarantor or entity that becomes a Guarantor and (ii) to the extent that any assets received by the Company and its Restricted Subsidiaries in such Asset Sale constitute the Capital Stock of any Person, such Person becomes a Guarantor and the assets of such Person are concurrently with the acquisition pledged as Collateral in accordance with the Indenture and the Security Documents and held by the Company, a Guarantor or entity that becomes a Guarantor; and
- (4) an amount equal to 100% of the Net Proceeds from such Asset Sale is paid directly by the purchaser thereof to the Notes Collateral Trustee to be held for application as set forth in (A) or (B) below.

The Company or such Restricted Subsidiary may use the Net Proceeds from such Asset Sale at its option to do any one or more of the following:

- (A) within 365 days after the Notes Collateral Trustee's receipt of such Net Proceeds, to make an Asset Sale Investment; *provided, however*, that (i) such assets are promptly pledged as Collateral in accordance with the Indenture and the Security Documents and owned and held by the Company, a Guarantor or entity that becomes a Guarantor and (ii) to the extent that the assets acquired by the Company and its Restricted Subsidiaries pursuant to such Asset Sale Investment constitute the Capital Stock of any Person, such Person becomes a Guarantor or the assets of such person are promptly pledged as Collateral in accordance with the Indenture and the Security Documents and owned and held by the Company, a Guarantor or entity that becomes a Guarantor, or
- (B) within 365 days after the Notes Collateral Trustee's receipt of such Net Proceeds, to make one or more offers to the holders of the Notes (and, at the option of the Company, the holders of Other Pari Passu Lien Obligations on a pro rata basis) to purchase Notes (and such Other Pari Passu Lien Obligations) pursuant to and subject to the conditions contained in the Indenture (each, a "*Notes Collateral Asset Sale Offer*"); *provided, however*, that in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause (B), the Company or such Restricted Subsidiary shall permanently retire such Indebtedness and shall cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased.

Notwithstanding the foregoing provisions of this clause (a), the Company and the Restricted Subsidiaries will not be required to apply any Net Proceeds in accordance with this clause (a) except to the extent that the aggregate Net Proceeds from all Asset Sales of Notes Collateral which are not applied in accordance with the preceding paragraph of this covenant exceeds \$10.0 million.

The Company will commence a Notes Collateral Asset Sale Offer with respect to the Net Proceeds from any Asset Sale of Notes Collateral not later than 10 Business Days after the later of (x) the 365th day (or such later date provided in the preceding paragraph) after such Asset Sale of Notes Collateral to the extent such Net Proceeds have not been used in accordance with paragraph (A) or (B) above and (y) the date that the Net Proceeds from Asset Sales of Notes Collateral not applied in accordance with the second preceding paragraph of this covenant exceeds \$10.0 million by providing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee. After the completion of one or more Asset Sales of Notes Collateral, the Company and its Restricted Subsidiaries may, at their option, use the Net Proceeds thereof to make a Notes Collateral Asset Sale Offer prior to the required deadline or with less Net Proceeds than would trigger the requirement for a Notes Collateral Asset Sale Offer in order to satisfy the requirements of this paragraph (a) with respect to such Net Proceeds. After the Company or any Restricted Subsidiary has applied the Net Proceeds from any Asset Sale of any Notes Collateral as provided in, and within the time periods required by, this paragraph (a), the balance of such Net Proceeds, if any, from such Asset Sale of any Notes Collateral shall be released by the Notes Collateral Trustee as directed in writing by the Company to the Company or such Restricted Subsidiary for use by the Company or such Restricted Subsidiary for any purpose not prohibited by the terms of the Indenture and shall cease to constitute Net Proceeds of Asset Sales of Notes Collateral subject to the provisions of this covenant.

(b) The Company will not, and will not permit any of its Restricted Subsidiaries to, cause or make an Asset Sale (other than an Asset Sale of Notes Collateral, which shall be governed by clause (a) of this covenant), unless (1) the Company or any of its Restricted Subsidiaries, as the case may be, receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets sold or otherwise disposed of, and (2) at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents or Asset Sale Cash Equivalents.

Within 365 days after the Company's or any Restricted Subsidiary's receipt of the Net Proceeds of any Asset Sale (other than an Asset Sale of Notes Collateral, which shall be governed by clause (a) of this covenant), the Company or such Restricted Subsidiary may apply the Net Proceeds from such Asset Sale at its option to any one or more of the following:

- (A) in the case of Net Proceeds from any Asset Sales of assets of any non-Guarantor, to repay Indebtedness of such non-Guarantor;
- (B) to repay (i) Obligations under the North America ABL Facility to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased or (ii) Other Pari Passu Lien Obligations; *provided, however*, that, in the case of this clause (ii), the Company shall equally and ratably reduce Obligations under the Notes (based on the respective amount of outstanding Other Pari Passu Lien Obligations and Obligations under the Notes) as provided under "Optional Redemption," through open-market purchases or otherwise; or
- (C) to make an Asset Sale Investment; *provided, however*, that (i) such assets are promptly pledged as Collateral in accordance with the Indenture and the Security Documents and owned and held by the Company, a Guarantor or entity that becomes a Guarantor and (ii) to the extent that the assets acquired by the Company and its Restricted Subsidiaries pursuant to such Asset Sale Investment constitute the Capital Stock of any Person, such Person becomes a Guarantor or the assets of such person are promptly pledged as Collateral in accordance with the Indenture and the Security Documents and owned and held by the Company, a Guarantor or entity that becomes a Guarantor.

Pending the final application of any such Net Proceeds, the Company or such Restricted Subsidiary may temporarily reduce Indebtedness under a revolving credit facility, if any, or otherwise invest such Net Proceeds in Cash Equivalents or Investment Grade Securities. The Indenture will provide that any Net Proceeds from any Asset Sale (other than an Asset Sale of Notes Collateral) that are not applied as provided and within the 365-day time period set forth in the preceding paragraph will be deemed to constitute "*Excess Proceeds*". When the aggregate amount of Excess Proceeds exceeds \$10.0 million, the Company shall make an offer to all holders of Notes (and, at the option of the Company, to holders of any Pari Passu Indebtedness) (an "*Asset Sale Offer*") to purchase the maximum principal amount of Notes (and principal amount or accreted value, as applicable, of such Pari Passu Indebtedness), that is in minimum denominations of \$2,000 and integral multiples of \$1,000 thereafter that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or, in the event such Pari Passu Indebtedness was issued with significant original issue discount, "principal amount" shall refer to 100% of the accreted value thereof), plus accrued and unpaid interest and additional interest, if any (or, in respect of such Pari Passu Indebtedness, such lesser price, if any, as may be provided for by the terms of such Pari Passu Indebtedness), to the date fixed for the closing of such offer, in accordance with the

procedures set forth in the Indenture. The Company will commence an Asset Sale Offer with respect to Excess Proceeds not later than ten business days after the date that Excess Proceeds exceed \$10.0 million by providing the notice required pursuant to the terms of the Indenture, with a copy to the Trustee. After the completion of one or more Asset Sales (other than Asset Sales of Notes Collateral, which are governed by paragraph (a) of this covenant), the Company and its Restricted Subsidiaries may, at their option, use the Net Proceeds thereof to make an Asset Sale Offer prior to the required deadline or with less Net Proceeds than would trigger the requirement for an Asset Sale Offer in order to satisfy the requirements of this paragraph (b) with respect to such Net Proceeds. To the extent that the aggregate amount of Notes (and such Pari Passu Indebtedness) tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Notes (and such Pari Passu Indebtedness) surrendered by holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Notes (and the Issuer shall select such Pari Passu Indebtedness) to be purchased in the manner described below. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds which served as the basis for such Asset Sale Offer shall be reduced to zero.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Notes Collateral Asset Sale Offer or an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

If more Notes (and any Other Pari Passu Lien Obligations) are tendered pursuant to a Notes Collateral Asset Sale Offer than the Company is required to purchase, the principal amount of the Notes (and such Other Pari Passu Lien Obligations) to be purchased will be determined pro rata based on the principal amounts so tendered and the selection of the actual Notes for purchase will be made by the Trustee on a pro rata basis or by lot; *provided, however*, that no Notes (or any Other Pari Passu Lien Obligations) in a minimum denomination of \$2,000 or less shall be purchased in part and the authorized denomination shall be maintained. If more Notes (and Pari Passu Indebtedness) are tendered pursuant to an Asset Sale Offer than the Company is required to purchase, the principal amount of the Notes (and Pari Passu Indebtedness) to be purchased will be determined pro rata based on the principal amounts so tendered and the selection of the actual Notes for purchase will be made by the Trustee on a pro rata basis or by lot; *provided, however*, that no Notes (or Pari Passu Indebtedness) in a minimum denomination of \$2,000 or less shall be purchased in part and the authorized denomination shall be maintained.

Notices of a Notes Collateral Asset Sale Offer or an Asset Sale Offer shall be sent by first class mail, postage prepaid or otherwise delivered in compliance with DTC's procedures, at least 30 but not more than 60 days before the purchase date to each holder of Notes at such holder's registered address. If any Note is to be purchased in part only, any notice of purchase that relates to such Note shall state the portion of the principal amount thereof that has been or is to be purchased.

A new Note in principal amount equal to the unpurchased portion of any Note purchased in part will be issued in the name of the holder thereof upon cancellation of the original Note. On and after the purchase date, unless the Company defaults in payment of the purchase price, interest shall cease to accrue on Notes or portions thereof purchased.

For purposes of the covenant described above, the Net Cash Proceeds attributable to the sale of (i) Notes Collateral consisting of Equity Interests of a Person that is not a Guarantor shall be deemed to be equal to the equity value of such Equity Interests and (ii) a group of assets consisting of both Notes Collateral and assets that are not Notes Collateral shall be deemed to be Net Cash Proceeds from Notes Collateral and such other assets, respectively, based on the Fair Market Value of the Notes Collateral and such other assets.

SECTION 4.07. Transactions with Affiliates.

(a) Prior to the Effective Date, the Escrow Issuer will not, and Intermediate Holdings will not permit the Company or any of its Restricted Subsidiaries to, and from and after the Effective Date, the Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of transactions, contract, agreement, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each of the foregoing, an "Affiliate Transaction") involving aggregate consideration in excess of \$2.5 million, unless:

- (1) (x) transactions between or among the Issuer, the Company or any of its Restricted Subsidiaries, (y) the merger of the Escrow Issuer with and into the Company and (z) any merger of the Company and any direct parent company of the Company; *provided, however*, that such parent shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Company and such merger is otherwise in compliance with the terms of the Indenture and effected for a bona fide business purpose;

- (5) payments or loans (or cancellation of loans) to employees or consultants in the ordinary course of business which are approved by a majority of the Board of Directors of the Company in good faith;
- (6) the existence of, or the performance by the Company or any of its Restricted Subsidiaries under the terms of, any agreement or instrument as in effect as of the Effective Date or any amendment thereto (so long as any such agreement or instrument together with all amendments thereto, taken as a whole, is not more disadvantageous to the holders of the Notes in any material respect than the original agreement or instrument as in effect on the Effective Date) or any transaction contemplated thereby that is described in the Offering Circular, in each case other than any tax sharing arrangements;
- (7) transactions to effect the Transactions and the payment of all fees and expenses related to the Transactions, in each case that are described in the Offering Circular;
- (8) (x) transactions with customers, clients, suppliers, toll manufacturers or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the Indenture, on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that could reasonably have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unaffiliated party or (y) transactions with joint ventures or Unrestricted Subsidiaries entered into in the ordinary course of business;
- (9) any transaction effected as part of the German Factoring Facility;

A Default under clause (d) or (k) above shall not constitute an Event of Default until the Trustee notifies the Company in writing or the Holders of at least 25% in principal amount of the outstanding Notes notify the Company and the Trustee in writing of the Default and the Company does not cure such Default within the time specified in clauses (d) or (k) above after receipt of such notice.

Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default." The Issuer shall deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officer's Certificate of any event which is, or with the giving of notice or the lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or proposes to take with respect thereto.

If the Notes are accelerated or otherwise become due prior to their maturity date, in each case, as a result of an Event of Default, the amount of principal of, accrued and unpaid interest and premium on the Notes that becomes due and payable shall equal the redemption price applicable with respect to an optional redemption of the Notes pursuant to Article 5 of the Notes in effect on the date of such acceleration as if such acceleration were an optional redemption of the Notes accelerated that was consummated on such date.

Without limiting the generality of the foregoing, it is understood and agreed that if the Notes are accelerated or otherwise become due prior to their maturity date, in each case, in respect of any Event of Default (including, but not limited to, upon the operation of the bankruptcy provisions (including the acceleration of claims by operation of law)), the premium applicable with respect to an optional redemption of the Notes will also be due and payable as though the Notes were optionally redeemed and shall constitute part of the Obligations with respect to the Notes, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Holder's lost profits as a result thereof. Any premium payable above shall be presumed to be the liquidated damages sustained by each Holder as the result of the early redemption and the Issuer agrees that it is reasonable under the circumstances currently existing. The premium shall also be payable in the event the Notes (and/or the Indenture) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE ISSUER EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuer expressly agrees (to the fullest extent it may lawfully do so) that: (A) the premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between Holders and the Issuer giving specific consideration in this transaction for such agreement to pay the premium; and (D) the Issuer shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Issuer expressly acknowledges that its agreement to pay the premium to Holders as herein described is a material inducement to Holders to purchase the Notes

SECTION 6.02. Acceleration. If an Event of Default (other than an Event of Default specified in Section 6.01(f) or (g) with respect to the Escrow Issuer or the Company) occurs and is continuing, the Trustee by notice to the Company or the Holders of at least 25% in principal amount of outstanding Notes by notice to the Company and the Trustee, may declare the principal of, premium, if any, and accrued but unpaid interest on all the Notes to be due and payable. Upon such a declaration, such principal and interest shall be due and payable immediately. If an Event of Default specified in Section 6.01(f) or (g) with respect to the Escrow Issuer or Company occurs, the principal of, premium, if any, and interest on all the Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the Notes by notice to the Issuer and the Trustee may rescind an acceleration and its consequences if the rescission would not conflict with any applicable judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy at law or in equity to collect the payment of principal of or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

Notwithstanding anything to the contrary in this Indenture, the Trustee shall not commence any litigation, foreclosure or other enforcement proceeding absent the express direction of the Holders of a majority in principal amount of the Notes then outstanding.

SECTION 6.04. Waiver of Past Defaults. When a Default is waived, it is deemed cured and the Issuer, the Trustee and the Holders will be restored to their former positions and rights under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority. The Holders of a majority in principal amount of the Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law, this Indenture, the Intercreditor Agreement or any Security Document or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability; provided, however, that the Trustee does not have an affirmative duty to ascertain whether or not such direction is unduly prejudicial to any Holder. Prior to taking any action under this Indenture, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits.

(a) A Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (i) such Holder gives to the Trustee written notice stating that an Event of Default is continuing;
- (ii) the Holders of at least 25% in principal amount of the Notes make a written request to the Trustee to pursue the remedy;
- (iii) such Holder or Holders offer to the Trustee security or indemnity satisfactory to it against any loss, liability or expense;
- (iv) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (v) the Holders of a majority in principal amount of the Notes do not give the Trustee a written direction inconsistent with the request during such 60-day period.

(b) A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

SECTION 6.07. Rights of the Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of and interest on the Notes held by such Holder, on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee, subject to the direction of the Holders of a majority in principal amount of the Notes then outstanding, may recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on overdue principal and (to the extent lawful) on any unpaid interest at the rate provided for in the Notes) and the amounts provided for in Section 7.06.

SECTION 6.09. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for compensation, reasonable expenses disbursements and advances of the Trustee (including counsel, accountants, experts or such other professionals as the Trustee deems necessary, advisable or appropriate)) and the Holders allowed in any judicial proceedings relative to the Issuer or any Guarantor, their creditors or their property, shall be entitled to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matters and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, reasonable expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.06.

SECTION 6.10. Priorities. If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order (subject in each case to the Intercreditor Agreement and the Collateral Trust Agreement):

FIRST: to the Trustee, its agents and attorneys for amounts due under Section 7.06 and the Notes Collateral Trustee for any amounts, expenses, costs or liabilities owed to or incurred by it relating to or in connection with any Security Document or this Indenture;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

THIRD: to the Company or, to the extent the Trustee collects any amount for or from any Guarantor, to such Guarantor, or as a court of competent jurisdiction may direct.

The Trustee may fix a record date and payment date for any payment to the Holders pursuant to this Section. At least 15 days before such record date, the Trustee shall provide to each Holder and the Issuer a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes.

SECTION 6.12. Waiver of Stay or Extension Laws. Neither the Issuer nor any Guarantor (to the extent it may lawfully do so) shall at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and each Guarantor (to the extent that it may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 6.13. Intercreditor Agreement. The exercise of any remedies and the application of the collection of any money or property under this Article 6 shall be subject to any applicable provisions of the Intercreditor Agreement and the Collateral Trust Agreement.

SECTION 6.14. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceedings to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

ARTICLE 7 TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants, obligations, responsibilities or duties shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including Officer's Certificates) or opinions (including Opinions of Counsel) furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of certificates or opinions required by any provision hereof to be provided to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts, statements, opinions or conclusions stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting on any document reasonably believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both which shall conform to Section 12.02 and 12.03. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officer's Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers; provided, however, that the Trustee's conduct does not constitute willful misconduct or gross negligence.

(e) The Trustee may consult with counsel of its own selection and the advice or opinion of counsel with respect to legal matters relating to this Indenture, the Security Documents and the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document unless requested in writing to do so by the Holders of not less than a majority in principal amount of the Notes at the time outstanding and indemnified in accordance with Section 6.05, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may reasonably see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney, at the expense of the Company and shall incur no liability of any kind by reason of making or not making such inquiry or investigation.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder including as Notes Collateral Trustee and in its capacity as Trustee and Notes Collateral Agent under the Security Documents and as a party to the Intercreditor Agreement, and each agent, custodian and other Person employed to act hereunder and thereunder.

(i) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(j) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

(k) The Trustee may request that the Company deliver an incumbency certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture (an "Incumbency Certificate"), which Incumbency Certificate may be signed by any person authorized to sign an Incumbency Certificate, including a person as so authorized in any such certificate previously delivered and not suspended.

(l) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company and any resolution of the Board of Directors shall be sufficient if evidenced by a copy of such resolution certified by an Officer of the Company to have been duly adopted and in full force and effect as of the date of such certification.

SECTION 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.08 and 7.09.

SECTION 7.04. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, any Guarantee or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Issuer or any Guarantor in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall not be charged with knowledge of any Default other than (i) any Event of Default occurring pursuant to Sections 6.01(a) or (b) or (ii) any Default of which a Trust Officer shall have actual knowledge thereof or the Trustee shall have received written notice thereof in accordance with Section 12.01 hereof from the Issuer, any Guarantor or any Holder. As used herein, actual knowledge means the actual fact or statement of knowing, without any duty to make any investigation with regard thereto.

SECTION 7.05. Notice of Defaults. If a Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall provide to each Holder notice of the Default by the later of 90 days after it occurs or 30 days after it is actually known to a Trust Officer or written notice of it is received by the Trustee at the Office of the Trustee, and such notice references the Notes and this Indenture. Except in the case of a Default in the payment of principal of, premium (if any) or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of the Holders.

SECTION 7.06. Compensation and Indemnity. The Issuer shall pay to the Trustee and the Notes Collateral Trustee compensation as agreed in writing for their services. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee and the Notes Collateral Trustee upon request for all reasonable out-of-pocket expenses, disbursements or advances incurred or made by it in connection with carrying out its rights or duties hereunder or under the Security Documents or the Intercreditor Agreement, including reasonable costs of collection, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's and the Note Collateral Trustee's agents, counsel, accountants and experts. The Issuer and each Guarantor, jointly and severally shall indemnify and hold harmless the Trustee, the Notes Collateral Trustee and their Related Persons against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, and under any Security Document to which the Trustee or the Notes Collateral Trustee is a party and the Intercreditor Agreement, including the reasonable costs and expenses of enforcing this Indenture, the Notes or Guarantee against the Issuer or a Guarantor (including this Section 7.06) and defending itself against or investigating any claim (whether asserted by the Issuer, any Guarantor, any Holder or any other Person). The Trustee or the Notes Collateral Trustee shall notify the Issuer of any claim for which it may seek indemnity promptly upon obtaining actual

knowledge thereof; provided, however, that any failure so to notify the Issuer shall not relieve the Issuer or any Guarantor of its indemnity obligations hereunder unless and to the extent the Issuer or such Guarantor is materially prejudiced thereby. The Issuer shall defend the claim and the indemnified party shall provide reasonable cooperation at the Issuer's expense in the defense. Such indemnified parties may have separate counsel and the Issuer and the Guarantors, as applicable shall pay the reasonable fees and expenses of such counsel; provided, however, that the Issuer shall not be required to pay such fees and expenses if it assumes such indemnified parties' defense and, in such indemnified parties' reasonable judgment, there is no conflict of interest between the Company and the Guarantors, as applicable, and such parties in connection with such defense. The Issuer need not reimburse any expense or indemnify against any loss, liability or expense incurred by an indemnified party through such party's own willful misconduct, gross negligence or bad faith.

To secure the Issuer's and the Guarantors' payment obligations in this Section, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes.

The Issuer's and the Guarantors' payment obligations pursuant to this Section shall survive the termination, satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee or the Notes Collateral Trustee. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(f) or (h) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.07. Replacement of Trustee.

(a) The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in principal amount of the Notes may remove the Trustee by so notifying the Trustee and may appoint a successor Trustee. The Issuer shall remove the Trustee if:

- (i) the Trustee fails to comply with Section 7.09;
- (ii) the Trustee is adjudged bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Trustee or its property; or
- (iv) the Trustee otherwise becomes incapable of acting.

(b) If the Trustee has or shall acquire a conflicting interest, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by this Indenture.

(c) If the Trustee resigns, is removed by the Issuer or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(d) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall provide a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the Lien provided for in Section 7.06.

(e) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in principal amount of the Notes may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(f) If the Trustee fails to comply with Section 7.09, any Holder who has been a bona fide holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(g) Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

SECTION 7.08. Successor Trustee by Merger. Subject to Section 7.09 and the other applicable requirements of this Indenture, if the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 7.09. Eligibility; Disqualification. The Trustee shall at all times have a combined capital and surplus of at least \$100,000,000 as set forth in its most recent published annual report of condition.

ARTICLE 8 DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 8.01. Discharge of Liability on Notes; Defeasance.

(a) This Indenture will be discharged and will cease to be of further effect (except as to surviving rights or registration of transfer or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes when:

(i) (1) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation or (2) all of the Notes (a) have become due and payable, (b) will become due and payable at their stated maturity within one year or (c) if redeemable at the option of the Issuer, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Issuer directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be; it being understood, in the case of a discharge that occurs in connection with a redemption, the amount to be deposited shall be the amount that, as of the date of such deposit, is deemed sufficient to make such payment and discharge on the date of redemption, in the good faith determination of the Board of Directors of the Issuer pursuant to a resolution of the Board of Directors of the Issuer and as evidenced by an Officer's Certificate;

(ii) the Issuer or the Guarantors have paid all other sums payable under this Indenture; and

(iii) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

(b) Subject to Sections 8.01(c) and 8.02, the Issuer at any time may terminate (i) all of its obligations under the Notes and this Indenture and the Security Documents with respect to Holders of the Notes ("*legal defeasance option*") or (ii) its obligations under Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.14, 4.15, 4.16, 4.17, 4.18 and 4.20 for the benefit of the Notes and the operation of Section 5.01(a)(iv), 5.01(b) and 5.01(c) and Sections 6.01(c) (only as it applies to Section 5.01(a)(iv)), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries only), 6.01(g) (with respect to Significant Subsidiaries only), 6.01(h) (with respect to Significant Subsidiaries only), 6.01(i), 6.01(j) and 6.01(k) for the benefit of the Notes ("*covenant defeasance option*"). If the Issuer exercises its legal defeasance option or its covenant defeasance option, each Guarantor will be released from all of its obligations with respect to its Guarantee and the Security Documents. The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. In the event that the Company exercises its legal defeasance option or its covenant defeasance option, the obligations of each Guarantor under its Guarantee of the Notes shall be terminated simultaneously with the termination of such obligations.

If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. If the Issuer exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Sections 6.01(c), 6.01(d), 6.01(e), 6.01(f) (with respect to Significant Subsidiaries only), 6.01(g) (with respect to Significant Subsidiaries only), 6.01(h) (with respect to only Significant Subsidiaries) 6.01(i), 6.01(j) or 6.01(k) or because of the failure of the Issuer to comply with Section 5.01.

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

(c) Notwithstanding clauses (a) and (b) above, the Issuer's obligations in Sections 2.04, 2.05, 2.06, 2.07, 2.08, 2.09, 7.06, 7.07 and in this Article 8 shall survive until all the Notes have been paid in full. Thereafter, the Issuer's obligations in Sections 7.06, 8.05 and 8.06 shall survive such satisfaction and discharge.

SECTION 8.02. Conditions to Defeasance. The Issuer may exercise its legal defeasance option or its covenant defeasance option only if:

(i) the Issuer irrevocably deposits in trust with the Trustee in respect of cash in U.S. Dollars or U.S. Government Obligations or a combination thereof in an amount sufficient to pay the principal of, and premium (if any) and interest on the applicable Notes when due at maturity or redemption, as the case may be;

(ii) in the case of the legal defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (1) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (2) since the date of this Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall state that, the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred. Notwithstanding the foregoing, the Opinion of Counsel required with respect to a legal defeasance need not be delivered if all the Notes not theretofore delivered to the Trustee for cancellation have become due and payable;

(iii) in the case of the covenant defeasance option, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that the Holders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred; and

(iv) the Company delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent (other than that described in clause (iii) above) to the defeasance and discharge of the Notes to be so defeased and discharged as contemplated by this Article 8 have been complied with.

Notwithstanding the foregoing, the Opinion of Counsel required with respect to a legal defeasance need not be delivered if all the Notes, not theretofore delivered to the Trustee for cancellation, have become due and payable.

SECTION 8.03. Application of Trust Money. The Trustee shall hold in trust money or Government Obligations (including proceeds thereof) deposited with it pursuant to this Article 8. It shall apply the deposited money and the money from Government Obligations through each Paying Agent and in accordance with this Indenture to the payment of principal of and interest on the Notes so discharged or defeased.

SECTION 8.04. Repayment to the Company. Each of the Trustee and each Paying Agent shall promptly turn over to the Company upon request any money or Government Obligations held by it as provided in this Article which, in the written opinion of nationally recognized firm of independent public accountants delivered to the Trustee (which delivery shall only be required if Government Obligations have been so deposited), are in excess of the amount thereof which would then be required to be deposited to effect an equivalent discharge or defeasance in accordance with this Article.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Company upon written request any money held by them for the payment of principal or interest that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors, and the Trustee and each Paying Agent shall have no further liability with respect to such monies.

SECTION 8.05. Indemnity for Government Obligations. The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Obligations or the principal and interest received on such Government Obligations.

SECTION 8.06. Reinstatement. If the Trustee or any Paying Agent is unable to apply any money or Government Obligations in accordance with this Article 8 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and the Guarantors' obligations under this Indenture and the Notes so discharged or defeased shall be revived and reinstated as though no deposit had occurred pursuant to this Article 8 until such time as the Trustee or any Paying Agent is permitted to apply all such money or Government Obligations in accordance with this Article 8; provided, however, that, if the Company has made any payment of principal or interest on, any such Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Obligations held by the Trustee or any Paying Agent.

ARTICLE 9 AMENDMENTS AND WAIVERS

SECTION 9.01. Without Consent of the Holders.

(a) The Issuer, the Guarantors and the Trustee (or the Notes Collateral Trustee, as applicable) may amend this Indenture, the Notes, the Collateral Trust Agreement, any other Security Document or the Intercreditor Agreement without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, defect, mistake or inconsistency;
- (ii) to conform the text of this Indenture, the Guarantees, the Security Documents or the Notes to any provision of this "Description of Notes" to the extent that such provision in this Indenture, the Guarantees, the Security Documents or the Notes was intended to be a substantially verbatim recitation of a provision of the "Description of Notes" in the Offering Circular (based on an Officer's Certificate to such effect);
- (iii) to comply with Article 5;
- (iv) to provide for uncertificated Notes in addition to or in place of certificated Notes; provided, however, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code;
- (v) to add additional Guarantees with respect to the Notes;
- (vi) to secure the Notes or to add additional assets as Collateral;
- (vii) to release Collateral from the Lien or any Guarantor from its Guarantee, in each case pursuant to this Indenture, the Pari Passu Lien Debt Documents, the Collateral Trust Agreement, the other Security Documents and the Intercreditor Agreement when permitted or required by this Indenture or the Security Documents;
- (viii) to add to the covenants of the Escrow Issuer, Intermediate Holdings, the Company or any Restricted Subsidiary for the benefit of the Holders or to surrender any right or power herein conferred upon the Escrow Issuer, Intermediate Holdings, the Company or any Guarantor;
- (ix) to make any change that does not adversely affect the rights of any Holder;
- (x) to provide for the issuance of Additional Notes, which, except as otherwise provided herein, shall have terms substantially identical in all material respects to the Initial Notes; and
- (xi) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes; provided, however, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any other applicable securities law and (ii) such amendment does not materially and adversely affect the rights of holders to transfer Notes.

The Intercreditor Agreement and the Collateral Trust Agreement may also be amended from time to time in accordance with their terms.

After an amendment under this Section 9.01 becomes effective, the Issuer shall provide to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.01.

SECTION 9.02. With Consent of the Holders.

(a) The Issuer, the Guarantors and the Trustee (or the Notes Collateral Trustee, as applicable) may amend this Indenture, the Notes, the Collateral Trust Agreement, any other Security Document or the Intercreditor Agreement with the written consent of the Holders of at least a majority in principal amount of the Notes then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange for the Notes) and any past default or compliance with any provisions may be waived with the consent of the holders of a majority in principal amount of the Notes then outstanding voting as a single class (including consents obtained in connection with a tender offer or exchange for the Notes); provided, however, that the Issuer has delivered to the Trustee (and to the Notes Collateral Trustee, as applicable) an Opinion of Counsel and an Officer's Certificate, each reasonably satisfactory to the Trustee and each stating that such amendment or supplement complies with the provisions of this Section 9.02 and covering the matters set forth in Sections 12.04 and 12.05. However, without the consent of each Holder of an outstanding Note affected, an amendment may not:

- (i) reduce the amount of Notes whose Holders must consent to an amendment,
- (ii) reduce the rate of or extend the time for payment of interest on any Note,
- (iii) reduce the principal of or change the Stated Maturity of any Note,
- (iv) reduce the amount payable upon the redemption of any Note or change the time when any Note may be redeemed in accordance with Article 3,
- (v) make any Note payable in money other than that stated in such Note,
- (vi) make any change in Section 6.04, 6.07 or the second sentence of this Section 9.02,
- (vii) impair the right of any Holder to receive payment of principal of, premium, if any, and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes,
- (viii) expressly subordinate the Notes or any Guarantee in right of payment to any other Indebtedness of the Escrow Issuer, the Company or any Guarantor, or
- (ix) except as expressly provided by this Indenture, release all or substantially all of the Guarantees.

Without the consent of the Holders of at least two-thirds in aggregate principal amount of the Notes then outstanding, (i) except as expressly provided in this Indenture, no amendment or waiver may modify the Guarantees in any manner adverse to the Holders, (ii) except as provided in the Collateral Trust Agreement or the Intercreditor Agreement, no amendment or waiver may release from the Lien of this Indenture and the Security Documents all or substantially all of the Collateral and (iii) no amendment or waiver may make any change in the Collateral Trust Agreement or the Intercreditor Agreement or the provisions in this Indenture, in each case dealing with the application of trust proceeds of the Collateral that would adversely affect the Noteholders (other than as expressly provided in the Intercreditor Agreement, the Collateral Trust Agreement, the other Security Documents, the Indenture or the other Pari Passu Lien Debt Documents).

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

(b) After an amendment under this Section 9.02 becomes effective, the Issuer shall provide to the Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 9.02.

(c) In determining whether the holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or any Guarantor, or by any Person directly or indirectly controlled by the Issuer or any Guarantor, shall be considered as though not outstanding.

SECTION 9.03. Revocation and Effect of Consents and Waivers.

(a) A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the Trustee receives the notice of revocation before the date on which the Trustee receives an Officer's Certificate from the Company certifying that the requisite principal amount of Notes have consented. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver becomes effective upon the (i) receipt by the Issuer or

the Trustee of consents by the Holders of the requisite principal amount of securities, (ii) satisfaction of conditions to effectiveness as set forth in this Indenture and any indenture supplemental hereto containing such amendment or waiver and (iii) execution of such amendment or waiver (or supplemental indenture) by the Issuer and the Trustee.

(b) The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.04. Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Issuer may require the Holder of the Note to deliver it to the Trustee. The Trustee at the direction of the Issuer may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, supplement or waiver.

SECTION 9.05. Trustee to Sign Amendments. The Trustee (and, as applicable, the Notes Collateral Trustee) shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Notes Collateral Trustee. If it does, the Trustee (and, as applicable, the Notes Collateral Trustee) may but need not sign it. In signing any amendment, supplement or waiver, the Trustee and the Notes Collateral Trustee shall be entitled to receive indemnity reasonably satisfactory to it and shall be provided with, and (subject to Section 7.01) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment, supplement or waiver is authorized or permitted by this Indenture, and complies with the provisions hereof (including Section 9.03) and covering the matters set forth in Sections 12.04 and 12.05 hereof. Such opinion shall not be an expense of the Trustee.

SECTION 9.06. Additional Voting Terms; Calculation of Principal Amount. Except as expressly provided in this Indenture, including under Section 9.02, all Notes issued under this Indenture shall vote and consent together on all matters (as to which any of such Notes may vote) as one class. Determinations as to whether Holders of the requisite aggregate principal amount of Notes have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 2.14.

ARTICLE 10 GUARANTEES

SECTION 10.01. Guarantees.

(a) Each Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees, as a primary obligor and not merely as a surety on a senior basis, to each Holder and to the Trustee and its successors and assigns (i) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuer (including obligations to the Trustee and the Notes Collateral Trustee) under this Indenture and the Notes, whether for payment of principal of, premium, if any, or interest on the Notes and all other monetary obligations of the Issuer under this Indenture, the Notes, the Security Documents and the Intercreditor Agreement and (ii) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for fees, expenses, indemnification or otherwise under this Indenture, the Notes, the Security Documents and the Intercreditor Agreement (all the foregoing being hereinafter collectively called the "*Guaranteed Obligations*"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article 10 notwithstanding any extension or renewal of any Guaranteed Obligation. The Guaranteed Obligations of a Guarantor will be secured by security interests in the Collateral owned by such Guarantor to the extent provided for in the Security Documents and as required pursuant to Sections 4.10 and 4.11.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (i) the failure of any Holder, the Trustee or the Notes Collateral Trustee to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under this Indenture, the Notes, any Security Document, or any other agreement or otherwise; (ii) any extension or renewal of this Indenture, the Notes, any Security Document or any other agreement; (iii) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes, any Security Document or any other agreement; (iv) the release of any

security held by any Holder, the Trustee or the Notes Collateral Trustee for the Guaranteed Obligations or any Guarantor; (v) the failure of any Holder, the Trustee or the Notes Collateral Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (vi) any change in the ownership of such Guarantor, except as provided in Section 10.02(b).

(c) Subject to Section 10.02(a), each Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed. Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Company or any other Guarantor first be used and depleted as payment of the Company's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Company be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder, the Trustee or the Notes Collateral Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Sections 8.01, 10.02 and 10.06, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder, the Trustee or the Notes Collateral Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes, any Security Document or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(f) Except as expressly set forth in Sections 8.01 and 10.02, each Guarantor agrees that its Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Except as expressly set forth in Sections 8.01 and 10.02, each Guarantor further agrees that its Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal or of interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder, the Trustee or the Notes Collateral Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Notes Collateral Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee in accordance with this Indenture, forthwith pay, or cause to be paid, in cash, to the Holders, the Trustee or the Notes Collateral Trustee an amount equal to the sum of (i) the unpaid principal amount of such Guaranteed Obligations, (ii) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by applicable law) and (iii) all other monetary obligations of the Issuer then due to the Holders, the Trustee and the Notes Collateral Trustee in respect of the Guaranteed Obligations.

(h) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guaranteed Obligations guaranteed hereby until payment in full of all Guaranteed Obligations. Each Guarantor further agrees that, as between it, on the one hand, and the Holders, the Trustee and the Notes Collateral Trustee, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of any Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article 6, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 10.01.

(i) Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee, or the Notes Collateral Trustee, or any Holder in enforcing any rights under this Section 10.01.

(j) Upon request of the Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

(k) All Guarantors desire to allocate among themselves (collectively, the “*Contributing Guarantors*”), in a fair and equitable manner, the economic consequences resulting from the performance of their respective obligations arising under this Indenture. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a “*Funding Guarantor*”) under its Guarantee such that its Aggregate Payments exceed its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor’s Aggregate Payments to equal its Fair Share as of such date. “*Fair Share*” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors, multiplied by (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under their respective Guarantees in respect of the obligations guaranteed. “*Fair Share Contribution Amount*” means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under its Guarantee that would not render its obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the Bankruptcy Code or any comparable applicable provisions of state law; provided that solely for purposes of calculating the Fair Share Contribution Amount with respect to any Contributing Guarantor for purposes of this Section 10.01, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. “*Aggregate Payments*” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of its Guarantee (including in respect of this Section 10.01), minus (2) the aggregate amount of all payments received on or before such date by such Guarantor from the other Contributing Guarantors as contributions under this Section 10.01. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. Each Contributing Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 10.01(k). For the avoidance of doubt, nothing in this Section 10.01(k) shall limit or impair, by implication or otherwise, each Guarantor’s obligations under its Guarantee.

SECTION 10.02. Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed without rendering the Guarantee, as it relates to such Guarantor, voidable under applicable laws relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

(b) A Guarantee as to any Restricted Subsidiary shall terminate and be of no further force or effect and such Subsidiary Guarantor shall be deemed to be automatically released from all obligations under this Article 10 upon:

(i) the sale, disposition or other transfer (including through merger or consolidation) of the Capital Stock (including any sale, disposition or other transfer following which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary) if such sale, disposition or other transfer is not prohibited by this Indenture, in each case other than to the Issuer, Intermediate Holdings or a Subsidiary Guarantor; provided, however, that such Guarantor is released from its guarantees, if any, of, and all pledges and security, if any, granted in connection with, the Credit Agreement and any other Indebtedness of the Issuer or any Restricted Subsidiary of the Issuer;

(ii) the Issuer designating such Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the provisions set forth under Section 4.04 and the definition of “Unrestricted Subsidiary”; or

(iii) the Issuer’s exercise of the Issuer’s legal defeasance option or covenant defeasance option in accordance with Section 8.01 or if the obligations of such Guarantor under this Indenture are discharged in accordance with the terms of this Indenture.

SECTION 10.03. Successors and Assigns. This Article 10 shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee, the Notes Collateral Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder, the Notes Collateral Trustee or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

SECTION 10.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee, the Notes Collateral Trustee or the Holders in exercising any right, power or privilege under this Article 10 shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Notes Collateral Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article 10 at law, in equity, by statute or otherwise.

SECTION 10.05. Modification. No modification, amendment or waiver of any provision of this Article 10, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

SECTION 10.06. Execution of Supplemental Indenture for Future Guarantors. Each Person which is required to become a Guarantor after the Issue Date pursuant to Section 4.11 shall promptly execute and deliver to the Trustee a supplemental indenture in the form of Exhibit D hereto pursuant to which such Person shall become a Guarantor under this Article 10 and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such supplemental indenture is permitted by and complies with this Indenture.

ARTICLE 11 SECURITY DOCUMENTS

SECTION 11.01. Collateral and Security Documents.

(a) The due and punctual payment of the principal of and interest on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of and interest on the Notes and performance of all other Guaranteed Obligations of the Company and the Guarantors to the Holders, the Trustee or the Notes Collateral Trustee and all other Obligations under this Indenture, the Notes, the Intercreditor Agreement and the Security Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Security Documents, which define the terms of the Liens that secure the Guaranteed Obligations and such other Obligations, subject to the terms of the Intercreditor Agreement. Each Holder, by accepting a Note and the benefits of this Indenture, consents and agrees to the terms of the Collateral Trust Agreement and the other Security Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the Intercreditor Agreement as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture and the Intercreditor Agreement, and authorizes and directs the Notes Collateral Trustee to enter into the Collateral Trust Agreement, the other Security Documents and the Intercreditor Agreement and to perform its obligations and exercise its rights thereunder in accordance therewith. The Company shall deliver to the Trustee (if the Trustee is not itself then the Notes Collateral Trustee) copies of all documents delivered to the Notes Collateral Trustee pursuant to the Security Documents and the Intercreditor Agreement, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 11.01, to assure and confirm to the Trustee and the Notes Collateral Trustee the security interest in the Collateral contemplated hereby, by the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes, according to the intent and purposes herein expressed. Subject to the terms of and solely to the extent set forth in this Indenture and the applicable Security Documents, the Company shall take, and shall cause Intermediate Holdings and the Subsidiaries of the Company to take, any and all actions reasonably required to cause the Security Documents to create and maintain, as security for the Obligations of the Company and the Guarantors hereunder, a valid and enforceable perfected Lien and security interest in and on all of the Collateral (subject to the terms of the Intercreditor Agreement), in favor of the Notes Collateral Trustee for the benefit of the Trustee, the Holders and the other Secured Parties under the Security Documents.

SECTION 11.02. Release of Collateral.

(a) Subject to Section 11.03(b) and 11.04 hereof, Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Security Documents, the Intercreditor Agreement or as provided hereby. After the Effective Date, the Company and the Guarantors will be entitled to a release of assets included in the Collateral from the Liens securing the Notes, and the Trustee shall release, or instruct the Notes Collateral Trustee to release, as applicable, the same from such Liens at the Company's sole cost and expense, under one or more of the following circumstances:

- (1) to enable the Company and the Guarantors to consummate the sale, transfer, lease or other disposition of such property or assets to the extent not prohibited under Section 4.06;
- (2) in the case of a Guarantor that is released from its Guarantee with respect to the Notes, the release of the property and assets of such Guarantor;
- (3) pursuant to an amendment or waiver in accordance with Article 9 of this Indenture;

(4) if the Notes have been defeased or this Indenture has been discharged pursuant to Article 8; or

(5) upon payment in full and discharge of all Notes outstanding under the Indenture and all Obligations that are outstanding, due and payable under the Indenture at the time the Notes are paid in full and discharged.

The junior priority lien on the North America ABL Collateral securing the Notes will terminate and be released automatically if the senior priority liens on the North America ABL Collateral are released by the North America ABL Facility Administrative Agent pursuant to the terms of the North American ABL Facility (even if, at the time of such release of such senior priority liens, an Event of Default shall have occurred and be continuing under this Indenture), including, without limitation, in connection with a sale, transfer or disposition of North America ABL Collateral that is (i) effected by the Company or any Guarantor to the extent permitted by the North America ABL Facility or otherwise permitted with the consent of, or at the direction of, the North America ABL Facility Administrative Agent or (ii) occurs in connection with the foreclosure of, or other exercise of remedies with respect to, such North America ABL Collateral by the North America ABL Facility Administrative Agent (except, in each case, with respect to any proceeds of such sale, transfer or disposition that remain after satisfaction in full of the Lenders Debt).

Upon receipt of an Officer's Certificate and an Opinion of Counsel certifying that all conditions precedent under this Indenture, the Intercreditor Agreement and the Security Documents, if any, to such release have been met, and upon receipt of any necessary or proper instruments of termination, satisfaction or release prepared by the Company, the Notes Collateral Trustee shall execute, deliver or acknowledge (at the Company's expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreement, and in connection therewith and if permitted therein, shall return to the Company any possessory Collateral then in the possession of the Notes Collateral Trustee or in the possession of any Person on behalf of the Notes Collateral Trustee.

(b) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Notes has been accelerated (whether by declaration or otherwise) and the Trustee (if not then the Notes Collateral Trustee) has delivered a notice of acceleration to the Notes Collateral Agent, no release of Collateral pursuant to the provisions of this Indenture or the Security Documents will be effective as against the Holders, except as otherwise provided in this Indenture, the Security Documents or the Intercreditor Agreement.

SECTION 11.03. Permitted Releases Not To Impair Lien.

(a) The release of any Collateral from the terms hereof and of the Security Documents or the release of, in whole or in part, the Liens created by the Security Documents, will not be deemed to impair the security under this Indenture in contravention of the provisions hereof if and to the extent the Collateral or Liens are released pursuant to (x) the applicable Security Documents and the terms of this Article 11 or (y) the Intercreditor Agreement. Each of the Holders acknowledges that a release of Collateral or a Lien in accordance with the terms of the Security Documents and the Intercreditor Agreement and of this Article 11 will not be deemed for any purpose to be in contravention of the terms of this Indenture.

(b) In connection with any release of Collateral permitted by this Section 11.03, the Trustee shall, and shall cause the Notes Collateral Trustee to, do or cause to be done, all acts reasonably necessary to effectuate the release the Liens securing the Notes and the Guarantees with respect to such Collateral as soon as reasonably practicable, including but not limited to execution, delivery or acknowledgement (at the Company's expense) of such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents or the Intercreditor Agreement, and in connection therewith and if permitted therein, shall return to the Company any possessory Collateral then in the possession of the Notes Collateral Trustee or in the possession of any Person on behalf of the Notes Collateral Trustee.

SECTION 11.04. Suits to Protect the Collateral. Subject to the provisions of Article 6 hereof and the Intercreditor Agreement and the Collateral Trust Agreement, the Trustee in its sole discretion and without the consent of the Holders, on behalf of the Holders, may or may direct the Notes Collateral Trustee to take all actions it deems necessary or appropriate in order to:

(a) enforce any of the terms of the Security Documents; and

(b) collect and receive any and all amounts payable in respect of the Guaranteed Obligations of the Company hereunder.

Subject to the provisions of the Security Documents, the Intercreditor Agreement and the Collateral Trust Agreement, the Trustee shall have power to institute and to maintain, or to direct the Notes Collateral Trustee to institute and maintain, suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents or this Indenture, and such suits and proceedings as the Trustee, in its sole discretion, may deem expedient to preserve or protect its interests and the interests of the Holders in the Collateral (including power to institute and maintain

suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the Lien on the Collateral or be prejudicial to the interests of the Holders or the Trustee).

SECTION 11.05. Authorization of Receipt of Funds by the Trustee under the Security Documents. Subject to the provisions of the Intercreditor Agreement, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Security Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

SECTION 11.06. Purchaser Protected. In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Trustee or the Trustee to execute the release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article 11 to be sold be under any obligation to ascertain or inquire into the authority of the Company or the applicable Guarantor to make any such sale or other transfer.

SECTION 11.07. Powers Exercisable by Receiver or Trustee. In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article 11 upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any officer or officers thereof required by the provisions of this Article 11; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

SECTION 11.08. Release upon Termination of the Company's Obligations. In the event that the Company delivers to the Trustee an Officer's Certificate certifying that (i) payment in full of the principal of, together with accrued and unpaid interest (including additional interest, if any) on, the Notes and all other Obligations under this Indenture, the Guarantees and the Security Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest (including additional interest, if any), are paid or (ii) the Company shall have exercised its legal defeasance option or its covenant defeasance option, in each case in compliance with the provisions of Article 8, the Trustee shall deliver to the Company and the Notes Collateral Trustee a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral (other than with respect to funds held by the Trustee pursuant to Article 8), and any rights it has under the Security Documents, and upon receipt by the Notes Collateral Trustee of such notice and otherwise pursuant to in accordance with Section 4.4(a) of the Collateral Trust Agreement, the Notes Collateral Trustee shall not be deemed to hold a Lien in the Collateral securing the Notes outstanding under the Indenture or any other Obligations under the Indenture, and the right of the Holders of the Notes and such Obligations to the benefits and proceeds of the Notes Collateral Trustee's Lien on the Collateral will terminate and be discharged in accordance with Section 4.4(a) of the Collateral Trust Agreement.

SECTION 11.09. Notes Collateral Trustee.

(a) The Trustee and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Trustee as its agent under this Indenture, the Security Documents and the Intercreditor Agreement and as a holder of the Collateral for the benefit of the Trustee and such Holder pursuant to the terms of the Security Documents and the Intercreditor Agreement, and the Trustee, each of the Holders by acceptance of the Notes and the benefits of this Indenture hereby irrevocably authorizes the Notes Collateral Trustee to take such action on its behalf under the provisions of this Indenture, the Security Documents and the Intercreditor Agreement and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Trustee by the terms of this Indenture, the Security Documents and the Intercreditor Agreement, together with such powers as are reasonably incidental thereto. The Trustee, each of the Holders by acceptance of the Notes and the benefits of this Indenture hereby irrevocably grants to the Notes Collateral Trustee a *comisión mercantil con representación* in accordance with articles 273, 274, and other applicable articles of the Commerce Code (*Código de Comercio*) of Mexico, to act on its behalf as agent hereunder and under the respective Security Documents in accordance with the terms hereof or thereof, and the Notes Collateral Trustee hereby accepts such *comisión mercantil con representación*. The Notes Collateral Trustee agrees to act as such on the express conditions contained in this Section 11.09. The provisions of this Section 11.09 are solely for the benefit of the Notes Collateral Trustee and none of the Trustee, any of the Holders nor any of the Grantors shall have any rights as a third party beneficiary of any of the provisions contained herein other than as expressly provided in Section 11.03. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Security Documents and the Intercreditor Agreement, the Notes Collateral Trustee shall not have any duties or responsibilities, except those expressly set forth herein, nor shall the Notes Collateral Trustee have or be deemed to have any fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Security Documents and the Intercreditor Agreement or otherwise exist against the Notes Collateral Trustee. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture with

reference to the Notes Collateral Trustee is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Except as expressly otherwise provided in this Indenture, the Notes Collateral Trustee shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions which the Notes Collateral Trustee is expressly entitled to take or assert under this Indenture, the Security Documents and the Intercreditor Agreement, including the exercise of remedies pursuant to Article VI, and any action so taken or not taken shall be deemed consented to by the Trustee and the Holders.

(b) The Notes Collateral Trustee may execute any of its duties under this Indenture, the Security Documents or the Intercreditor Agreement by or through agents, employees, attorneys-in-fact or through its Related Persons and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Notes Collateral Trustee shall not be responsible for the gross negligence or misconduct of any agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made without gross negligence or willful misconduct.

(c) None of the Notes Collateral Trustee or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Security Document or Intercreditor Agreement or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Company or any Grantor or Affiliate of any Grantor, or any officer or Related Person thereof, contained in this or any Indenture, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Trustee under or in connection with, this or any other Indenture, the Security Documents or the Intercreditor Agreement, or the validity, effectiveness, genuineness, enforceability or sufficiency of this or any other Indenture, the Security Documents or the Intercreditor Agreement, or for any failure of any Grantor or any other party to this Indenture, the Security Documents or the Intercreditor Agreement to perform its obligations hereunder or thereunder. None of the Notes Collateral Trustee or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this or any other Indenture, the Security Documents or the Intercreditor Agreement or to inspect the properties, books, or records of any Grantor or any Grantor's Affiliates.

(d) The Notes Collateral Trustee shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex, or telephone message, statement, or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to any Grantor), independent accountants and other experts selected by the Notes Collateral Trustee. The Notes Collateral Trustee shall be fully justified in failing or refusing to take any action under this or any other Indenture, the Security Documents or the Intercreditor Agreement unless it shall first receive such advice or concurrence of the Trustee as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Notes Collateral Trustee shall in all cases be fully protected in acting, or in refraining from acting, under this or any other Indenture, the Security Documents or the Intercreditor Agreement in accordance with a request or consent of the Trustee and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Trustee shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the Notes Collateral Trustee shall have received written notice from the Trustee or a Grantor referring to this Indenture, describing such Default or Event of Default and stating that such notice is a "notice of default." The Notes Collateral Trustee shall take such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article 6; provided, however, that unless and until the Notes Collateral Trustee has received any such request, the Notes Collateral Trustee may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

(f) Wilmington Trust, National Association and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with any Grantor and its Affiliates as though it was not the Notes Collateral Trustee hereunder and without notice to or consent of the Trustee. The Trustee and the Holders acknowledge that, pursuant to such activities, Wilmington Trust, National Association or its respective Affiliates may receive information regarding any Grantor or its Affiliates (including information that may be subject to confidentiality obligations in favor of any such Grantor or such Affiliate) and acknowledge that the Notes Collateral Trustee shall not be under any obligation to provide such information to the Trustee or the Holders.

(g) The Notes Collateral Trustee may resign at any time upon thirty (30) days prior written notice to the Trustee and the Grantors, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Trustee. If the Notes Collateral Trustee resigns under this Indenture, the Trustee, subject to the consent of the Issuer (which shall not be unreasonably withheld and which shall not be required during a continuing Event of Default), shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the effective date of the resignation of the Notes Collateral Trustee, the Notes Collateral Trustee may appoint, after consulting with the Trustee, subject to the consent of the Company (which shall not be unreasonably withheld and which shall not be required during a continuing Event of Default), a successor collateral agent. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Trustee, and the term "Notes Collateral Trustee" shall mean such successor collateral agent, and the retiring Notes Collateral Trustee's appointment, powers and duties as the Notes Collateral Trustee shall be terminated. After the retiring Notes Collateral Trustee's resignation hereunder, the provisions of this Section 11.09 shall inure to its benefit and the retiring Notes Collateral Trustee shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Trustee under this Indenture.

(h) Wilmington Trust, National Association shall initially act as Notes Collateral Trustee and shall be authorized to appoint co-Notes Collateral Trustees as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Security Documents or the Intercreditor Agreement, neither the Notes Collateral Trustee nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Trustee shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Trustee nor any of its officers, directors, employees or agents shall be responsible for any act or failure to act hereunder, except for its own willful misconduct, gross negligence or bad faith.

(i) The Notes Collateral Trustee is authorized and directed to (i) enter into the Security Documents, enter into the Intercreditor Agreement, (iii) bind the Holders on the terms as set forth in the Security Documents and the Intercreditor Agreement and (iv) perform and observe its obligations under the Security Documents and the Intercreditor Agreement.

(j) The Trustee agrees that it shall not, and shall not instruct the Notes Collateral Trustee to, unless specifically requested to do so by a majority of the Holders, take or cause to be taken any action to enforce its rights under this Indenture or against any Grantor, including the commencement of any legal or equitable proceedings, to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

If at any time or times the Trustee shall receive

(i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Trustee pursuant to the terms of this Indenture, or

(ii) payments from the Notes Collateral Trustee in excess of the amount required to be paid to the Trustee pursuant to Article VI, the Trustee shall promptly turn the same over to the Notes Collateral Trustee, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Trustee.

(k) The Trustee is each Holder's agent for the purpose of perfecting the Holders' security interest in assets which, in accordance with Article 9 of the UCC can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Company, the Trustee shall notify the Notes Collateral Trustee thereof, and, promptly upon the Notes Collateral Trustee's request therefor shall deliver such Collateral to the Notes Collateral Trustee or otherwise deal with such Collateral in accordance with the Notes Collateral Trustee's instructions.

(l) The Notes Collateral Trustee shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Trustee's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Trustee pursuant to this Indenture, any Security Document or the Intercreditor Agreement, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, the Notes Collateral Trustee may act in any manner it may deem appropriate, in its sole discretion given the Notes Collateral Trustee's own interest in the Collateral and that the Notes Collateral Trustee shall have no other duty or liability whatsoever to the Trustee or any Holder as to any of the foregoing.

(m) If the Company (i) Incurs any obligations in respect of Lenders Debt at any time when no intercreditor agreement is in effect or at any time when Indebtedness constituting Lenders Debt entitled to the benefit of an existing Intercreditor Agreement is concurrently retired, and (ii) delivers to the Notes Collateral Trustee an Officer's Certificate so stating and requesting the Notes Collateral Trustee to enter into an intercreditor agreement (on substantially the same terms as the Intercreditor Agreement) in favor of a designated agent or representative for the holders of the Lenders Debt so Incurred, the Notes Collateral Trustee shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Company, including legal fees and expenses of the Notes Collateral Trustee), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder.

(n) In respect of Security Documents governed by German law, the Notes Collateral Trustee shall:

(i) hold and administer any Collateral governed by German law which is security assigned (*Sicherungsseigentum/Sicherungsabtretung*) or otherwise transferred under a non-accessory security right (*nicht-akzessorische Sicherheit*) or as an accessory right to the extent serving as collateral for the Obligations in respect of Parallel Debt to it as trustee (*Treuhänder*) for the benefit of the Trustee and the Holders; and

(ii) administer any Collateral governed by German law which is pledged (*Verpfändung*) or otherwise transferred to the Trustee or any Holder under an accessory security right (*akzessorische Sicherheit*) as agent.

The Trustee and the Holders hereby authorize the Notes Collateral Trustee (whether or not by or through employees or agents):

(i) to exercise such rights, remedies, powers and discretions as are specifically delegated to or conferred upon the Notes Collateral Trustee under such Security Documents together with such powers and discretions as are reasonably incidental thereto;

(ii) to take such action on its behalf as may from time to time be authorized under or in accordance with such Security Documents; and

(iii) to accept as its representative (*Stellvertreter*) any pledge or other creation of any accessory security right granted in favor of the Trustee and such Holder in connection with such Security Documents and to agree to and execute on its behalf as its representative (*Stellvertreter*) any amendments and/or alterations to any such Security Document which creates a pledge or any other accessory security right (*akzessorische Sicherheit*) including the release or confirmation of release of such Collateral.

The Trustee and each Holder hereby releases the Notes Collateral Trustee from any restrictions on double representation and self-dealing under any applicable law, and in particular from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*), in each case to the extent legally possible, to make use of any authorization granted under this Indenture and to perform its duties and obligations as Notes Collateral Trustee under such Security Documents. If the Trustee or any Holder is barred by its constitutional documents or by-laws from granting such exemption, such Person shall notify the Notes Collateral Trustee accordingly.

The Trustee and each Holder hereby ratifies and approves all acts and declarations previously done by the Notes Collateral Trustee on such Person's behalf (including for the avoidance of doubt the declarations made by the Notes Collateral Trustee as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) in relation to the creation of any pledge (*Pfandrecht*) on behalf and for the benefit of any such Person as future pledgee or otherwise).

SECTION 11.10. Designations. Except as provided in the next sentence, for purposes of the provisions hereof and the Intercreditor Agreement requiring the Company to designate Indebtedness for the purposes of the terms "Lenders Debt" and "Other Pari Passu Lien Obligations" or any other such designations hereunder or under the Intercreditor Agreement, any such designation shall be sufficient if the relevant designation is set forth in writing, signed on behalf of the Company by an Officer and delivered to the Trustee, the Notes Collateral Trustee and the North America ABL Facility Administrative Agent. For all purposes hereof and the Intercreditor Agreement, the Company hereby designates the Obligations pursuant to the ABL Facility as "Lenders Debt."

SECTION 11.11. Parallel Debt.

Solely for the purpose of the Security Documents governed by German law:

(a) Each Grantor hereby irrevocably and unconditionally undertakes to pay to the Notes Collateral Trustee amounts equal to any amounts owing from time to time by that Grantor to the Trustee and the Holders under the Indenture and the Notes as and when those amounts are due (the "Parallel Debt").

(b) Each Grantor acknowledges that the obligations of each Grantor under clause (a) above are several and are separate and independent from, and shall not in any way limit or affect, the corresponding obligations of that Grantor to the Trustee or any Holder under the Indenture and the Notes (its “*Corresponding Debt*”) nor shall the amounts for which each Grantor is liable under clause (a) above (its Parallel Debt) be limited or affected in any way by its Corresponding Debt *provided* that: (i) the Parallel Debt of each Grantor shall be decreased to the extent that its Corresponding Debt has been irrevocably paid or (in the case of guaranty obligations) discharged; and (ii) the Corresponding Debt of each Grantor shall be decreased to the extent that its Parallel Debt has been irrevocably paid or (in the case of guaranty obligations) discharged; and (iii) the amount of the Parallel Debt of a Grantor shall at all times be equal to the amount of its Corresponding Debt.

(c) For the purpose of this Section 11.11, the Notes Collateral Trustee acts in its own name and not as a trustee, and its claims in respect of the Parallel Debt shall not be held on trust. The Collateral granted under the Security Documents governed by German law to the Notes Collateral Trustee to secure the Parallel Debt are granted to the Notes Collateral Trustee in its capacity as creditor of the Parallel Debt and shall not be held on trust.

(d) All moneys received or recovered by the Notes Collateral Trustee pursuant to this 11.11, and all amounts received or recovered by the Notes Collateral Trustee from or by the enforcement of any Collateral granted to secure the Parallel Debt, shall be applied in accordance with Section 3.4 of the Collateral Trust Agreement.

SECTION 11.12. Security Documents governed by English law. The security contemplated under the Security Documents governed by English law is granted in favor of the Notes Collateral Trustee as trustee for the Secured Parties.

1. Interest

SGH Escrow Corporation, a Delaware corporation (such Person, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Issuer”), promises to pay interest on the principal amount of this Note at a rate per annum of 10.000%. The Issuer will pay interest semiannually in arrears to the holders of record of the Notes on January 15 and July 15 of each year, commencing July 15, 2015. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Issuer will pay interest on overdue principal at the rate borne by this Note plus 1.0% per annum, and it will pay interest on overdue installments of interest at the same rate to the extent lawful.

2. Method of Payment

The Issuer will pay interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the January 1 and July 1 next preceding the interest payment date even if Notes are canceled after the record date and on or before the interest payment date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Issuer will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Note (including principal, premium and interest) will be made by wire transfer of immediately available funds to the accounts specified by the Depository. The Issuer will make all payments in respect of a certificated Note (including principal, premium and interest) through the Paying Agent by mailing a check to the registered address of each Holder thereof; provided, however, that payments on a certificated Note will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

3. Paying Agent and Registrar

Initially, Wilmington Trust, National Association (the “Trustee”), will act as Paying Agent and Registrar. The Issuer may appoint and change any Paying Agent, Registrar or co-registrar without notice.

4. Indenture

The Issuer issued the Notes under an Indenture dated as of January 8, 2015 (the “Indenture”), among the Issuer, Intermediate Holdings, the Trustee and Wilmington Trust, National Association, as Notes Collateral Trustee. The terms of the Notes include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Noteholders are referred to the Indenture and the Securities Act for a statement of those terms.

The Notes are secured obligations of the Issuer. The Indenture contains covenants that, among other things, limit the ability of the Issuer and its Restricted Subsidiaries to incur additional indebtedness; pay dividends or distributions on, or redeem or repurchase capital stock; make investments; engage in transactions with affiliates; create liens on assets to secure indebtedness; transfer or sell assets; guarantee indebtedness; restrict dividends or other payments of subsidiaries; consolidate, merge or transfer all or substantially all of its assets; and engage in sale/leaseback transactions. These covenants are subject to important exceptions and qualifications contained in the Indenture. If and to the extent that any provision of this Note limits, qualifies or conflicts with a provision of the Indenture, such provision of the Indenture shall control.

5. Optional Redemption

Except as set forth below, the Issuer shall not be entitled to redeem the Notes.

On and after January 15, 2018, the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice provided in accordance with the Indenture, at the following redemption

prices (expressed as a percentage of principal amount), plus accrued and unpaid interest and additional interest, if any, to (but not including) the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the redemption date), if redeemed during the periods indicated below:

<u>Period</u>	<u>Redemption Price</u>
January 15, 2018 - July 14, 2018	105.000%
July 15, 2018 and thereafter	100.000%

In addition, prior to January 15, 2018, the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' prior notice provided in accordance with the Indenture, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and additional interest, if any, to (but not including) the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the redemption date). Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

Notwithstanding the foregoing, at any time and from time to time on or prior to January 15, 2018, the Issuer may redeem, upon not less than 30 nor more than 60 days' prior notice provided in accordance with the Indenture, in the aggregate principal amount not to exceed 35% of the original aggregate principal amount of the Notes (which includes Additional Notes, if any) with the net cash proceeds of one or more Equity Offerings (1) by the Issuer or (2) by any direct or indirect parent of the Issuer, to the extent the net cash proceeds thereof are contributed to the common equity capital of the Issuer or used to purchase Capital Stock (other than Disqualified Stock) of the Issuer from it, at a redemption price (expressed as a percentage of principal amount thereof) of 110.000% plus accrued and unpaid interest and additional interest, if any, to (but not including) the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided, however, that (1) at least 65% of the aggregate principal amount of the Notes (which includes Additional Notes, if any), remains outstanding after each such redemption and (2) such redemption shall occur within 90 days after the date on which any such Equity Offering is consummated and otherwise in accordance with the procedures set forth in the Indenture. Notice of any redemption upon any Equity Offering may be given prior to the completion thereof.

In connection with any redemption of Notes under the Indenture (including in connection with a Change of Control, an Asset Sale Offer or a redemption described in this Paragraph 5), any such redemption may, at the Issuer's discretion, be subject to one or more conditions precedent, including any related Equity Offering, other financing or a Change of Control. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, any of such conditions may be waived, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

6. Notice of Redemption

Notice of redemption will be provided at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed. Notes in denominations larger than \$2,000 principal amount may be redeemed in part but only in whole multiples of \$1,000 in excess thereof. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

7. Special Mandatory Redemption

In the event that (i) the Acquisition is not consummated on or prior to the date that is three Business Days prior to the applicable Outside Date, (ii) at any time prior to the date that is three Business Days prior to the applicable Outside Date, certain conditions in the Escrow Agreement are deemed by the Escrow Issuer to be incapable of being satisfied on or prior to the applicable Outside Date, (iii) at any time prior to the date that is three Business Days prior to the applicable Outside Date, the Purchase and Sale Agreement is terminated or (iv) the Initial Outside Date is not extended as set forth in the Indenture (any such event being a "Mandatory Redemption Event"), the Escrow Issuer will redeem all of the Notes (the "Special Mandatory Redemption") at a redemption price equal to 101% of the initial offering price of the Notes plus accrued and unpaid interest from the Issue Date to, but not including, the Special Mandatory Redemption Date (as defined below) on the Special Mandatory Redemption Date fixed for such redemption. If a Mandatory Redemption Event occurs, the Escrow Issuer will send the notice of a Special Mandatory Redemption (the "Special Redemption Notice") within three Business Day following the occurrence of a Mandatory Redemption Event and in no event later

than three Business Days prior to the applicable Outside Date, to the Trustee and the Escrow Agent. The Special Redemption Notice will specify the date fixed for such Special Mandatory Redemption (the "Special Mandatory Redemption Date"), which date may not be sooner than three Business Days from the date of such Special Redemption Notice and no later than the applicable Outside Date. Concurrently with the delivery of the Special Redemption Notice, the Escrow Issuer will instruct the Trustee to, at the Escrow Issuer's expense, send (by first-class mail to each Holder's registered address or otherwise in accordance with the procedures of DTC) a notice that a Special Mandatory Redemption will occur on the applicable Outside Date or the earlier date specified in the Special Redemption Notice. Within three Business Days after the Trustee's delivery of such notice of a Mandatory Redemption Event (or, if earlier, on the applicable Outside Date), the Escrow Issuer will consummate the Special Mandatory Redemption.

8. Put Provisions

Unless the Issuer has given notice of redemption as described under Article 3 of the Indenture with respect to all the Notes, not later than 30 days following any Change of Control, any Holder of Notes will have the right to cause the Issuer to purchase all or any part of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be purchased plus accrued interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date) as provided in, and subject to the terms of the Indenture.

9. Guarantee

The payment by the Issuer of the principal of, and premium and interest on, the Notes is fully and unconditionally guaranteed on a joint and several basis by each of the Guarantors to the extent set forth in the Indenture.

11. Denominations; Transfer; Exchange

The Notes are in registered form without coupons in denominations of \$2,000 principal amount and whole multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes selected for redemption (except, in the case of a Note to be redeemed in part, the portion of the Note not to be redeemed) or any Notes for a period of 15 days before a selection of Notes to be redeemed or 15 days before an interest payment date.

12. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

13. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

14. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Issuer at any time shall be entitled to terminate some or all of its and the Guarantors' obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or, in certain cases, U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

15. Amendment, Waiver

The Issuer and the Trustee may amend the Indenture, the Notes, any Security Document or the Intercreditor Agreement to the extent provided in Article 9 of the Indenture.

16. Defaults and Remedies

Article 6 of the Indenture provides for certain Events of Default and remedies with respect to the Notes.

17. Trustee Dealings with the Issuer

Subject to certain limitations imposed by the Securities Act, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer or its Affiliates and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee.

18. No Recourse Against Others

A director, officer, employee or stockholder, as such, of the Issuer or the Trustee shall not have any liability for any obligations of the Issuer under the Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation; provided, however, the foregoing will not affect or limit any liability of any Guarantor under the Indenture or its Guarantee. By accepting a Note, each Noteholder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Notes.

21. CUSIP Numbers

Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures the Issuer have caused CUSIP numbers to be printed on the Notes and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Noteholders. 22. Intercreditor Agreement

Reference is made to the Intercreditor Agreement dated as of the Issue Date, among General Electric Capital Corporation, as North America ABL Agent; Wilmington Trust, National Association, as Notes Collateral Trustee; Real Alloy Intermediate Holding, LLC; the Issuer; and the Guarantors from time to time party thereto, as it may be amended from time to time in accordance with this Indenture (the "Intercreditor Agreement"). If and to the extent that any provision of this Indenture limits, qualifies or conflicts with a provision of the Intercreditor Agreement, such provision of the Intercreditor Agreement shall control. The foregoing provisions are intended as an inducement to the holders of Lenders Debt to extend credit and such holders are intended third party beneficiaries of such provisions and the provisions of the Intercreditor Agreement.

5. Optional Redemption

Except as set forth below, the Issuer shall not be entitled to redeem the Notes.

On and after January 15, 2018, the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice provided in accordance with the Indenture, at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest and additional interest, if any, to (but not including) the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the redemption date), if redeemed during the periods indicated below:

July 15, 2018 and thereafter	100.000%

In addition, prior to January 15, 2018, the Issuer may redeem the Notes at its option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ prior notice provided in accordance with the Indenture, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and additional interest, if any, to (but not including) the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the redemption date). The Special Redemption Notice will specify the date fixed for such Special Mandatory Redemption (the "*Special Mandatory Redemption Date*"), which date may not be sooner than three Business Days from the date of such Special Redemption Notice and no later than the applicable Outside Date. 13. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment.

14. Discharge and Defeasance

Subject to certain conditions set forth in the Indenture, the Issuer at any time shall be entitled to terminate some or all of its and the Guarantors' obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or, in certain cases, U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.
